

Stevenson High School Bond Update

PROJECTS

- Continue safety focus through ongoing projects to enhance door hardware and impact and shatter resistant glass.
- Enhance technology through installation of interactive projectors and teacher voice amplification system.
- Create Stevenson athletic field site at 16 Mile and Dodge Park, including:
 - Synthetic turf softball and baseball fields
 - Relocate tennis courts
- Upgrade Rick Bye Fieldhouse HVAC systems, ceiling and lighting.

Our district is continuing to move forward with the commitments made to UCS voters as part of the 2023 Safety and Success Bond Issue. Over the summer, significant improvements were made to our auto shop area and portions of our roof.

This spring, work will begin on a series of improvements to our athletics facilities that will enhance safety and be a visible reflection of our Titan pride.

The centerpiece will be a new complex at the current fields at Dodge Park and 16 Mile roads. There will also be improvements to the Rick Bye Fieldhouse.

While we keep the end goal in mind, we recognize this work will require some flexibility on our part. Your support is appreciated.

Go Titans!

Q and A about Stevenson High School Improvements

What is the timeline for the improvements?

Work on the athletic field improvements will begin this spring and continue through the spring of 2026.

Why are the new areas not being built on Stevenson High School property?

There is limited space available at Stevenson to ensure field equity with other high schools. In addition, space on the site will need to be available for the planned improvements to Runkel Field.

How will this impact our athletics season?

Our athletics department will be working closely with coaches to ensure that our seasons can continue without interruptions. During certain portions of the improvement process, practices or games may be staged at other available facilities. Flexibility will be important as we work to transform our facilities.

What is the status of improvements to Runkel Field?

The Swinehart Field and Runkel Field improvements will be staggered to ensure we are meeting the expectations of our community for field availability and resources available to athletes. Swinehart Field will receive work initially, with work at Runkel Field scheduled to begin shortly after the reconstruction of Swinehart is complete. Improvements to Runkel and Swinehart fields will result in equitable facilities for all students.

Where can I get more information?

See www.uticak12.org/stevensonbond or call our office, 586-797-1900.
