The UCS Legacy of Learning
Pursue Excellence
Live Your Passion
Be Where You Belong

The design vision gives our students more space to work in groups on projects that develop essential skills such as collaboration, communication and problem solving.

The elementary classroom of the future remains focused on safety and provides an environment that gives teachers the flexibility to work with individuals and in small and large groups.

Reimagining UCS Elementary Schools

Thanks to UCS voters, our school district is embarking on a transformative approach to how our elementary school facilities will support future generations of learners.

As work began this summer, the reconstruction of DeKeyser Elementary is demonstrating our vision for the future.

By building, renovating and innovating, UCS is able to update elementary schools districtwide with facilities that encourage growth and achievement.

Through this transformation, the new design will:

- Create additional layers of safety.

- Support achievement through space that fosters learning communities.
- Provide teachers with the flexibility and technology for large and small group instruction.
- Provide a modern look that grows community pride and enhances property values.

**UTICA
COMMUNITY
SCHOOLS**

Attendance Area Review

With the reconstruction of elementary schools, Utica Community Schools is able to address long-standing issues related to school attendance areas.

The attendance areas for UCS were introduced in most cases when the facilities opened more than 50 years ago.

As a result, some neighborhood subdivisions are geographically disconnected from neighboring communities with boundaries that do not take advantage of major landmarks and roadways.

Currently, the district's citizens Enrollment Distribution Advisory Committee is reviewing patterns for elementary schools feeding into Henry Ford II High School. A plan will be shared with the community by mid-December.

Through this review, neighborhood schools would foster a stronger sense of community and provide more students with access to updated facilities that encourage growth and achievement.

The 2023 Bond Issue - Improving every school with a focus on safety

The \$550 million bond issue represents the largest facility improvement investment in the history of Utica Community Schools.

The bond issue, supported by 70 percent of district voters in 2023, is focused on safety and provides improvements at every UCS school.

Examples of projects that are benefiting schools districtwide include:

- Additional layers of safety, such as replacement of doors, installation of safety locks, and shatter-resistant glass.
- Walls and doors installed at former "Open Concept" schools. These were completed in 2024.

- Improved parking lots through redesigns and/or repaving.
- Install new playground equipment and replace playground surfacing at all elementary schools.
- The continued implementation of the school district's long-range facility improvement program, including roofs, heating and cooling systems, and electrical and plumbing infrastructure.
- Improved athletic fields for all high schools and fan-friendly stadium renovations. This project is scheduled to begin in the spring.

Candy for Christmas

From Your Donations to Christmas Gifts...

Hi Friends!!

It's time once again for our Candy for Christmas drive! We are collecting and accepting candy donations to fill our Christmas Treat Bags again.

Thanks so much to EVERYONE that collected and bought candy last year. We were able to make Christmas a lot sweeter for many Children and Seniors. A special thanks to Rochester, Romeo and Utica Community Schools for their continued support.

2023 was an amazing year showing the resilient effort of our Volunteers and Candy Collectors. We were able to collect and assemble 4,500 Christmas Treat Bags. Some of Local Charities that gratefully received our gifts were -

- Power Company Kids Club Pontiac & Detroit
- The Good News Gang
- Dutton Farms
- Ellie's House
- Hope Warming Center
- Center for Success
- Habitat-Pontiac
- Big Family of Michigan
- Mr. Dave Coleman Outreach
- Wayne County Police Dept.
- Gifts for All God's Children
- House of Hope Pontiac & Oxford
- East Beth Tutoring

Our goal is to make 2024 even better than years before!!

Please help us to reach **EVEN MORE** organizations this year by getting you and your teams together to collect candy. When you are shopping for your own Halloween candy, please buy an extra bag or more and donate to the cause!

Collecting bags of candy can also be a service project -

- School Drives
- Office Workers
- Departments
- Book Clubs
- Church Groups
- Girl Scouts / Boy Scouts
- Afterschool Activities
- Neighbors

We ask for candy that has an everyday label; please DO NOT include Valentines, Easter, or Halloween labeled candy as well as **NO FOOD ITEMS** such as Pretzels or Orzos. Our goal is to make the Treat Bags consistent because we are providing for various charities.

Donations may be dropped off at the following locations before **November 18th**
Center Solutions Group - 1600 Parkside Road Suite 103, Rochester
Power Company Kids Club - 530 Pike Street, Pontiac
