Attention AP Students and Families: We have received communication from the College Board stating that the digital reference information provided to students during the AP Statistics, AP Biology, AP Chemistry, and AP Computer Science A exams proved difficult to use, as students were required to toggle between the reference information and questions in Bluebook.

Due to this finding, the College Board changed their policy/exam procedures and are now willing to provide students with a printed copy of the reference information along with the opportunity for student to re-take the above AP Exams.

Please contact Mrs. Ahlborn at maura.ahlborn@uticak12.org in the Eisenhower Counseling Department by 8 AM on Monday, May 19th, if you would like the opportunity to re-take any of the above AP Exams. This is an optional retake.

Thank you.
