Hello, parents and guardians,

Our fall Parent - Teacher Conferences will be held on **Thursday, October 2, 2025, from 11:30 a.m. to 3:30 p.m. and 4:30 to 7:30 p.m.** Once again this year, parents will have the option of virtual and in-person conferences. The schedule on **October 2nd** will be:

11:30 a.m. - 1:30 p.m. (In person) MUST HAVE AN APPOINTMENT

1:30 - 3:30 p.m. (Virtual) MUST HAVE AN APPOINTMENT

4:30 - 7:30 p.m. (Virtual) MUST HAVE AN APPOINTMENT

We will be using the online program SchoolSoft again to schedule conferences. Parents who want to meet virtually do not have to do anything different than last year (unless you changed school instructions are below). Like last year, parents choosing virtual will receive a link shortly before the meeting. Please be at your computer on time. For in-person conferences, parents should be at school on time for their scheduled conference and keep to the time limit that was scheduled. If you miss your scheduled appointment, you will be asked to make it up on a different day.

On **Wednesday, September 24, 2025**, your opportunity to book conferences will open. You will be able to schedule and meet virtually or in-person with your Eisenhower teachers about your student's progress. The SchoolSoft Conference Manager will allow you to check our teachers' conference schedules and book an appointment on-line for either an afternoon or evening conference session. We will again use Microsoft Teams to conduct the virtual conferences.

Many of you have already set up your account for Conference Manager last year. However, if you have not, OR if your student made a switch between the Virtual Academy and Remote/In-Person, you will be required to register and create a parent account. This only takes a minute or two. You will continue to use this same account for the duration of the time you have children in school, so please record your password where you can reference it later.

Please note that while you can register at any time, the appointment window will not open until 6:00 a.m. on Wednesday, September 24, 2025. The appointment window will close on Wednesday, October 1, at 11:00 p.m.

Both Parent Teacher Conference Sessions for Eisenhower and the High School Virtual Academy will be on Thursday, October 2 from 11:30 a.m. - 3:30 p.m. and from 4:30 to 7:30 p.m.

To create an account (if not already done) please use the following steps (a tutorial is available by clicking on this [LINK](#)):

1. Go to the following website <https://utica.schoolsoft.com>.
2. Register for a parent account. To register click the REGISTER NOW button and complete the registration page. Once registered you will be able to immediately log in to the Conference Manager. An email will also be sent to the address you specified. This email restates your username and password and should be saved, as you will use the same username and password when booking future rounds of Parent-Teacher Conferences. If you forget your password, you can reset it using the FORGOT PASSWORD link under the login button.

A few additional notes on registration:

When registering, if you have multiple students, you should enter all of them at the same time. If you have a student at more than one school (for example EHS and **CSI/MST** or SHS and the UCS Virtual Academy), you will need to register that student's name more than once as teachers are organized by schools.

Students who made a switch between Virtual Academy and Remote/in person learning since last year would have to make that adjustment.

If your student has a Virtual Academy teacher whose "home building" is a junior high, their conferences may be held on a different date. You will be able to see that information in their scheduling page.

Once registered you can log in to the Conference Manager any time. When the appointment window opens (Wednesday, September 24 at 6:00 a.m.) you may:

- Click the BOOK NOW button and select a conference date in the date drop-down that appears. Then, select the teacher(s) you wish to meet with and click the NEXT button. To coordinate bookings involving multiple teachers select all the teachers applicable to your child(ren) with whom you wish to meet.
- Click on an available time slot for each teacher you selected and complete the booking form that appears. You should see the booking appear in the summary list on the right-hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email.
- Confirm your appointments have been booked by looking at the "CURRENTLY BOOKED CONFERENCES" box on the right of the screen or click on the MY CONFERENCES tab. Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings.
- When finished booking, click the log off button located at the top right of the browser window. You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.
- Just prior to your scheduled conference time, you will receive a link to your video conference. At the appropriate time, click on the link and the teacher will admit you to the room. Please note, there is only 5 minutes available for conferences.

Please save this Email as instructions in case you need to reference it later. If you need assistance, please reach out to my Administrative Assistant, Shellie Kociemba, at shellie.kociemba@uticak12.org.

Thanks, and have a great day!

Brandon Manzella

Our Time, the nonpartisan voter registration group, will be coming to Eisenhower on Tuesday, September 23 at lunch hour to register and preregister students to vote.

They can preregister if they're 16 or older as of 9/23/25. The city clerks will send them voting cards close to their 18th birthdays. They can't vote until they're 18.

If they're 18 or will be 18 by 3/23/26 they can register immediately. Voting cards will be sent out to 18-year-olds immediately. For younger students, cards will be sent out close to their birthdays. Again, no one can vote until they're 18.

Any student who wants to register electronically must know the last 4 digits of their social security number AND their state ID or driver's license number. To register using a paper form, they need to have either the last 4 digits of their social security number OR state ID or driver's license.

For anyone who thinks they may be already registered we can check with the state that day.

Attendance

Attendance

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve optimal educational benefits only through regular class attendance and a serious commitment to an educational program. Attendance rules have been developed to reduce/prevent chronic absenteeism. The U.S. Department of Education Civil Rights Data Collection defines chronic absenteeism as missing more than 10% of school days in a year.

Avoid Credit Review

A student should avoid being placed on Credit Review for accumulating more than 10 absences in any class. If placed on Credit Review, students should take the necessary steps to be removed from Credit Review. Students who do not take the steps to be removed from Credit Review will receive a final grade of an F in the class.

Report an Absence

When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week and will be received by an answering machine during non-school hours.

The following reasons for an absence will be accepted as an excused absence:

Student illness, hospitalization, doctor-ordered bed rest, mandatory court appearance that has been pre-arranged, death in the immediate family, family vacation that has been pre-arranged and approved, medical appointments and administrative permission. All other absences will be unexcused

Excessive Absences

The school will notify the parent/guardian about excessive absences in the following ways:

When a student has accumulated between 7 and 10 absences in any one class per semester, the student's assistant/associate principal will send a warning letter through E-Mail to the parent and student(US. Mail if no email on file).

When a student has accumulated 11 absences* in any one class over the course of a semester, a letter will be sent via email (or US mail if an email address is not on file) stating the student has been placed on Credit Review and must follow the appeal process in order to earn credit in that class.

The following absences will be exempt from this absence total:

School-approved absences (field trip, student government activity, etc.), death/funeral of an immediate family member (mother, father, brother or sister), court appearance when documentation is submitted, suspensions, and absences where a parent/guardian has submitted medical documentation supporting the absence within five (5) school days of the absence. Chronic medical conditions can be reflected in a doctor's note indicating the student has an ongoing medical condition that can cause them to be absent from school.

Credit Review

Definition of Credit Review Credit Review is a process designed to decrease chronic absenteeism in a way that is restorative in nature. Students who do not take advantage of the restorative nature of credit review will receive an F in any class for which they were placed on Credit Review.

Tardies count toward Credit Review

For Credit Review, every three tardies will count as one unexcused absence.

How do you get placed on Credit Review?

All students are limited to ten (10) parent-excused, unexcused or truant absences per class period each semester. Upon the eleventh absence in any class period, the student loses credit in that class. The student will be required to continue to attend and pass the class to be eligible for the appeal process. In order to earn credit, the student must follow the proper appeal procedure.

Students should take action to restore credit as soon as they are placed on Credit Review

Students who have exceeded 10 days of absences can earn forgiveness hours (absence reduction) by participating in eligible programs. Availability of these programs may vary by the school the student attends. One hour of time is equal to one absence reduction in one class.

Examples of programs include:

- Attend Homework Lunch for two days (whole lunch) for one-hour absence reduction.
- Attend afterschool tutoring at school with a teacher for one-hour absence reduction.
- Attend Saturday School for a three-hour absence reduction. Students who have been assigned Saturday School for other reasons, cannot use attendance on those days towards absence reduction (no "double dipping").

Students will be required to provide verifiable documentation with the appeal form they submit. The basic idea is one hour of time allows for one hour of absence reductions. Each school will publish their absence reduction options at the beginning of the year in the school newsletter and/or school website. Other options for absence reduction may be available with prior administrator approval. Students cannot bank absence forgiveness in anticipation of future absences.

Restore Credit

To restore credit, students must submit an appeal demonstrating that they either did not have more than 10 absences or that they have taken action to restore the missed class time.

A student who is denied credit for a class due to excessive absences may appeal that action in accordance with the following:

- The student must have a passing grade in the class that they were denied credit.
- The student must submit a completed appeal form to their assistant/associate principal
- The student's assistant/associate principal will review each submitted appeal.

The assistant/associate principal will notify the student and parent of the decision in an email (or letter when no email is listed in PowerSchool). The decision of the assistant/ associate principal is final, there is no further appeal

A STUDENT WHO DOES NOT APPEAL THE LOSS OF CREDIT/OR FAILS TO EARN THE CREDIT BACK WILL HAVE EARNED AN "F" FOR THE FINAL SEMESTER GRADE IN THAT CLASS. An "F" will replace the "NC" in the permanent record.
