Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:20

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

School Safety

Safety remains a priority for our school. Eppler Junior High School is once again providing training to our students and staff on our safety protocols. The protocols identify actions that students may be asked to take in the event of a potential incident: hold, secure, lockdown, evacuate and shelter.

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Early Dismissal Procedures

We have a new process for early dismissals. When you arrive at Eppler please ring the bell at our Main Office door, let us know your student's name, show your id to the camera and we will let you in to our vestibule. With your cell phone please scan the QR code on the red "Scan For Early Dismissal" poster on the wall, type in the information requested, and we will call your student down to leave with you.

STUDENTS: You must come through the front office to exit the school.

How to Report an Absence

- When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week. The Shelby Attendance Line is **586-797-2799**. Absences will be input to PowerSchool by 4:00 pm on the date of the absence.
- Per UCS policy, the following reasons for an absence will be accepted as an excused absence; student illness, hospitalization, doctor ordered bed rest, mandatory court appearance, death in the immediate family, family vacation, medical appointments and administrative permission. **All other absences will be unexcused.**

Eppler Booster Club

We need you!! Please help!!

The Eppler Athletics Boosters are looking for a few good volunteers! Unfortunately, if we do not get any volunteers, we will have to shut down the group. The boosters have been an integral part of many improvements at the school - water filling stations, providing needed equipment for teams, gym decor update, end of season pizza parties for all teams, just to name a few. Most importantly, we are also in need of a parent or couple of parents that can be responsible for the concession stands at the home games.

If you are interested in either please contact Mr. Paul at eric.paul@uticak12.org

Attendance Area Update

The 2023 bond issue provides an opportunity for UCS to begin a transformation of its school facilities. As reconstruction and replacement plans move forward, a unique opportunity exists to evaluate long-standing issues with attendance areas and create a stronger sense of community by linking school boundaries.

By building, renovating and innovating, we are able to give more students access to facilities that are being redesigned with a vision that encourages growth and achievement.

A Vision for the Future

Utica Community Schools has begun the transformation of elementary buildings. The reconstruction of elementaries, beginning with DeKeyser Elementary this school year, follows our UCS Empowered Strategic Plan and creates a long-range vision to:

- Create additional layers of safety and security
- Support achievement through an environment that fosters engaged learning
- Provide teachers with the flexibility and technology for large and small group instruction
- Offer a modern look that will foster community pride and enhance the desirability and quality of life in neighborhoods

For more information, visit uticak12.org/buildingforthefuture.

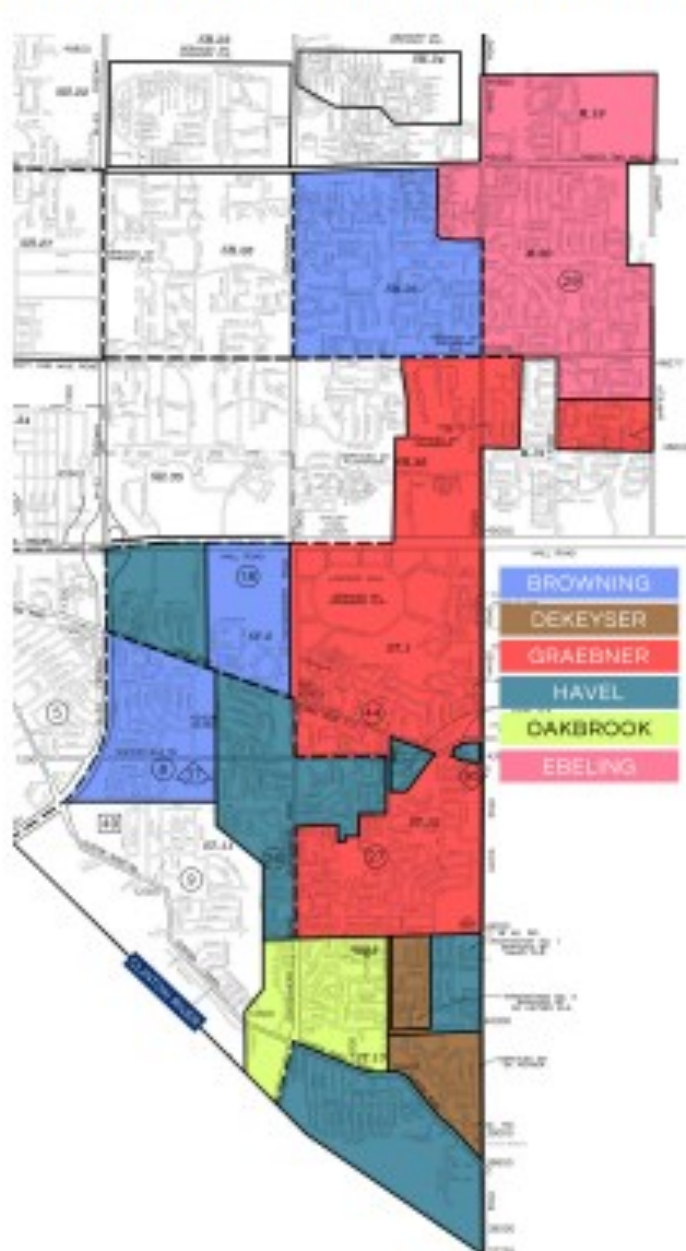

Overview

- Through the implementation of the 2023 bond issue, UCS is addressing long-standing issues within attendance areas that were largely developed 50 years ago.
- Currently, DeKeyser Elementary is under reconstruction. During the next two years, reconstruction will occur at Havel Elementary and Graebner Elementary.
- The following changes are being made under a plan for select schools in the Henry Ford II elementary feeder pattern:
 - Consolidation of the Browning Elementary attendance areas into Havel Elementary and Graebner Elementary.
 - Additional changes that follow the natural boundary of the Clinton River for the Havel Elementary attendance areas. Portions of Oakbrook and DeKeyser Elementary schools – which are separated from the schools by the Clinton River – will be combined with contiguous Havel Elementary communities.
 - A portion of Havel Elementary School where students cross Schoenherr Road will be merged with the neighboring Graebner Elementary community, which is closer in proximity to the neighborhood.
 - A small portion of Graebner Elementary in Macomb Township that is disconnected from its attendance area will be merged with a contiguous Ebeling Elementary neighborhood.

See page two for a detailed map of attendance area updates.

Attendance Area Updates

Below are current and revised attendance areas scheduled for fall of 2027. The attendance revision is made in conjunction with planned reconstruction at Havel Elementary and Graebner Elementary. The reconstruction work is part of a long-term vision for our schools that is focused on safety and designs that support innovation, growth and achievement. The revised attendance areas provide more students access to reconstructed elementary schools and reconnect communities.

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

The whiteboard contains handwritten math work: a point $(-1, 5)$, the equation $y = mx + b$, and calculations for slope $m = \frac{-6 - (-1)}{-4 - (-1)} = \frac{-5}{-3} = \frac{5}{3}$. Below this, there are calculations for b : $5 = \frac{5}{3} + b$, $15 = 5 + 3b$, $10 = 3b$, and $b = \frac{10}{3}$. The chat log on the right shows a conversation between a user and a tutor.
