Parent Access for Schoology

Parents/Guardians,

Did you know that you can have a parent account for your child's Schoology classes? You can access each of their classes, as well as the counseling department's Schoology page. The counseling page has many resources ranging from support groups and therapy to community resources for help with everyday problems. If you would like access to your child's Schoology account (this is different than PowerSchool), you can contact the main office at 586-797-2900 to request your child's 12-digit-code and instructions.

PARENT ACCESS DIRECTIONS FOR SCHOOLGY

1. Go to www.schoology.com.
2. Click **Sign Up** at the top of the page and choose **Parent**.
3. Enter your Parent Access Code. This is the 12-digit code in **xxxx-xxxx-xxxx** format
4. To receive the 12-digit code, please contact the Main Office
5. Fill out the form with your information.
6. Click **Register** to complete.

When you use a Parent Access Code to create an account, you are automatically associated to your child. You can add additional children to your account using the Add Child button.

If your Parent Access Code does not allow you to register, or if the code does not have 12 digits, please contact techsupport@uticak12.org.

Life Skills Accepting Donations

Mrs. Blanchard needs your help!! Every year the students love to cook, cook, cook, and I believe this is a wonderful experience for them. Not only are they learning basic cooking skills, they are also having a ton of fun. Unfortunately feeding 100 students can be rather expensive. Any donations from the list below would be greatly appreciated. You can drop them off to the main office, or have your student bring them to room 122. Thank you in advance for any and all help.

Below are the most commonly used items in our class:

| | |
|---|---|
| Sugar (white or brown) | Marshmallows (large and mini) |
| Rice Krispy cereal, Flour Soft Tortillas | Non-stick cooking spray |
| Butter, Salsa | Flour, Ketch-up, BBQ Sauce, Ranch |
| Cake Mixes, Syrup | Brownie Mixes, Frozen Strawberries |
| Frosting, Bread Crumbs | Spaghetti Sauce |
| Pizza Sauce, Wheat Germ | Chocolate Chips (white, dark, milk, cinnamon, etc.) |

| Paper Plates or cups or silverware | Kleenex, Cupcake Liners |

Other food items may need to be brought in over the semester if they chose to do a lab not assigned by me. Thank you in advance for your support.

Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their

STUDENT. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:20

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Eppler Clubs & Organizations

Cultural Diversity Club

Have you ever felt different? Like you don't fit in?

You're not alone. Which is why Eppler Student Advisory Board is sponsoring the new ... Cultural Diversity Club!

The Cultural Diversity Club is all about inclusion, open mindfulness, and advocating for misrepresented groups. In this club, we'll have monthly after-school meetings that showcase different cultures and give students opportunities to learn and show off their cultures. But culture is not just ethnicity, it's who you are as a person, what makes you, you. That includes hobbies, personal identity, beliefs, and more. Our goal is to give students a safe and welcoming place to express themselves, have people to relate to, remove negative stereotypes about certain groups and to have fun!

We welcome every student at Eppler to attend, even if you're unsure what culture you identify with.

If you are interested in joining, then come to our first meetings after school at 2:15 in Room 117!

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Youth and Family Programs

Visit www.careofsem.com for locations, times, and dates for all programs.

Peaceful Alternatives to Tough Situations (PATS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

* Parent participation required

Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

* Parent participation required

Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence, Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes, INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun!

A WEEK IN REVIEW

Kindness Branches Out

Students and staff signed their name to a leaf pledging to be kind to one another and attached it to our kindness tree. The beautiful tree was created by Evelyn Urban and Daniella Najar.

Students colored placemats with positive messages which were donated to a local Meals-On-Wheels program to give to their special clients.

Dress Up Days

Each day staff and students were asked to dress up in a kindness theme. Thursday's participants wore their favorite music artist/band t-shirt to show KINDNESS ROCKS! Good job everyone!

Door Decorating Contest

All 4th hour classes were given the challenge to decorate their classroom door in a design that promotes kindness. The three classrooms below won a pizza party. All of the doors were awesome!

Room 134

Room 117

Rooms 113/114

Guest Speaker

To start off our Kindness Matters Week, students saw a presentation by motivational speaker and magician, Anthony Grupido.

Students were able to color and fill out notes of appreciation for teachers and other school staff which were then delivered.

Caught Being Kind

Each month staff members nominate kids they catch doing random acts of kindness. These are students who are not being asked to do anything, they just graciously do it out of the goodness of their hearts. Then once a month the counselors go into the classrooms and reward these students for their kind gesture. This month's nominees were:

*Danny Chang, Josie Carlson, Nicholas Alam, Austin Manni, Lauryn McConachie,
Jayden Washington, Elizabeth Azou and Justin Ncraj*

Thank you to all of the nominees and keep up the kindness

Wellness Monday Moments

Students had the chance to learn some calming strategies at lunch through word searches, puzzles, and tip sheets.

Mrs. Gleason's class made coping playlists and discussed how music helps us take a break from reality and change our mood. The kids loved listening to music and hearing songs from their friends and the teacher. She said there was a whole lot of singing going on!

Mrs. Bankstahl was "DJ Bankstahl" on Wellness Monday while students completed My Mix Tape and Mood Music handouts. There was even a little time for karaoke!

Mrs. Daugherty's French classes tapped into their creative side to relax while they made Mardi Gras masks. Beautiful!

*The next Wellness Wednesday is April 17, 2024!
