# VOLUNTEER FORM AGREEMENT

Thank you for offering to serve as a volunteer for Utica Community Schools. Volunteers truly make a difference in the lives of our students, UCS values your service! The following Agreement serves to establish an understanding of the role of a volunteer and to understand guidelines related to volunteering. This agreement also serves as a safety net for you, the volunteer.

**PAGE 1 OF 2** 

#### As a volunteer for UCS, I understand and agree to the following:

- Volunteer service must be pre-approved by appropriate school District personnel.
- As a volunteer, I agree to work under the supervision and direction of a District staff member while at a school site and/or during school sponsored travel/field trips and off-site activities.
- I will abide by all school rules and Utica Community Schools Board of Education policies and procedures.
- I will refer any student in need of first aid and/or medication to the teacher or front office.
- I will refer any potential student discipline to the appropriate District staff member.
- I will maintain confidentiality of all student information. Performing volunteer service may require access and use of personally identifiable information (PII) from students' education records. Access and use of the PII is governed by the Family **Educational Rights and Privacy Act (FERPA).** 
  - FERPA is a federal law that protects personally identifiable information (PII) in students' education records from unauthorized disclosure.
  - FERPA requires the school or District to maintain "direct control" over your use and maintenance of students' education records and to use reasonable methods to ensure that you obtain access to only those education records in which you have an educational interest.
  - It's important that you take the following steps to protect student privacy:
    - Do not disclose the PII to another party (except back to the school or District). The PII must not be shared with unauthorized users, and it must be protected from inadvertent disclosure due to careless handling.
    - Do not use the PII for other purposes. The PII has been provided only for you to perform the volunteer service for which the school provided you the information. It should not be used for other purposes.
    - Do not keep the PII after you complete your volunteer service. Destroy or return the PII to the school or District after completion of the service that you provided.
- I will not take, record or publish photographs, videos or audio recordings, other than of my own child only, without permission from District personnel.
- I understand technology resources are to be used only for educational purposes.
- I will wear a visible visitor badge, sign in and out at the office.
- I will Inform the principal/administrator of any issue that may impact my service as a volunteer. •
- I will immediately report any injury I sustained during my volunteer work. I understand that as a volunteer I am NOT covered under Utica Community Schools workers' compensation insurance and if injured while volunteering will be responsible for the costs associated with any such injury.
- I will complete and submit to my child's school the I-Chat (criminal history check) form, found on page two.

I understand and agree that my failure to maintain the confidentiality of all school and student information (including my observations related to academic performance and/or student behavior), along with any education records that I have been given access, may disqualify me from further service as a community volunteer in the District. In addition, my failure to comply with any of the above-stated agreements may also disqualify me from further service.
