

Swinehart Field Bond Update

PROJECTS

- Replace paving at Swinehart Field
- Improve fan experience surrounding Swinehart Field
- Improve Swinehart Field's press box and home and visitor bleachers

Our district is continuing to move forward with the commitments made to UCS voters as part of the 2023 Safety and Success Bond Issue.

This spring, work will begin on a series of improvements to Swinehart Field that will reflect our Eagle and Chieftain pride.

The transformational improvements will include new visitor and home bleachers, an improved fan experience through concourse and entrance improvements and replacement of paving.

While we keep the end goal in mind, we recognize this work will require some flexibility on our part. Your support is appreciated.

Go Chieftains and Eagles!

Q and A about Swinehart Field Improvements

What is the timeline for the improvements?

The improvements at Swinehart Field will begin this winter and are projected to conclude in the fall of 2026.

How will this impact our athletics season?

Spring 2025 sports will continue at Swinehart. Following this season, our athletics department will be working closely with coaches to ensure that facilities are available to meet the needs of our student athletes. Flexibility will be important as we work to transform our facilities.

What is the status of improvements to Runkel Field?

The Swinehart Field and Runkel Field improvements will be staggered to ensure we are meeting the expectations of our community for field availability and providing resources to athletes. Swinehart Field will receive work initially, with work at Runkel Field to be scheduled following the reconstruction of Swinehart.
