09/20/24 Beckett's Day

We are proud to declare Friday, September 20, "BECKETT DAY" in honor of our young friend, Beckett Fowler. Please read on and plan on showing your support for Beckett and all families who have been challenged by Childhood Cancer by wearing gold / yellow on Friday, September 20. Thank you!!!

Dear Principal Pantano,

As we enter Childhood Cancer Awareness Month, I want to take a moment to share the story of one of our own in the UCS community, Beckett, who is a courageous ATRT brain cancer warrior. Beckett, a sibling of Cadence and Paisley Eiberger, in Flickinger Elementary, and Aaron Eiberger, in Eppler Junior High, has been through an extraordinary journey. He has endured brain surgeries, radiation, and chemotherapy, and is now approaching a milestone: 9 1/2 months in remission.

Beckett will soon be heading back to St. Jude's Research Hospital for his next three-month scan. On Friday, September 20, while Beckett undergoes these important scans, we ask for your support by encouraging students, teachers, and staff to wear gold or Beckett's Warriors shirts in honor of Childhood Cancer Awareness and Beckett's brave fight.

****Gold**** is the color for childhood cancer awareness, and we hope to paint the school in gold that day as a sign of solidarity, not only for Beckett but for all the children and families who are battling cancer every day.

How You Can Advocate for Childhood Cancer Awareness:

- ****Learn More About Childhood Cancer****: Research organizations like St. Jude's to better understand pediatric cancer and its impact.
- ****Support Families****: Find ways to support local families going through cancer treatment. Small gestures like meals, cards, or offers of help can mean a lot.
- ****Raise Awareness****: Spread the word within your communities about the importance of supporting childhood cancer research and the families who are impacted by this.
- ****Get a sporting event all in yellow and raise awareness with everyone on and off the field!**
- ****Get Involved in Fundraising****: Many organizations hold fundraising events for research and family support. Consider participating as a family in walks, runs, or other events.
- ****Be a Voice****: Talk with your kids and family about childhood cancer and how they can show empathy and understanding toward peers who may be affected by serious illnesses.

We hope you'll join us in showing Beckett and his family that his fight is not alone, and that his school community is with him as he undergoes his scans. Every show of support counts, and together, we can raise awareness and help the fight against childhood cancer.

Thank you for your compassion, support, and advocacy for such an important cause.

Warm Regards,
Tammie Fowler

Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:20

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Eppler Booster Club

We need you!! Please help!!

The Eppler Athletics Boosters are looking for a few good volunteers! Unfortunately, if we do not get any volunteers, we will have to shut down the group. The boosters have been an integral part of many improvements at the school - water filling stations, providing needed equipment for teams, gym decor update, end of season pizza parties for all teams, just to name a few. Most importantly, we are also in need of a parent or couple of parents that can be responsible for the concession stands at the home games.

If you are interested in either please contact Mr. Paul at eric.paul@uticak12.org

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Youth and Family Programs

Visit www.careofsem.com for locations, times, and dates for all programs.

Peaceful Alternatives to Tough Situations (PATTS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

* Parent participation required

Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

* Parent participation required

Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence: Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes, INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun.
