Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:20

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

School Safety

Safety remains a priority for our school. Eppler Junior High School is once again providing training to our students and staff on our safety protocols. The protocols identify actions that students may be asked to take in the event of a potential incident: hold, secure, lockdown, evacuate and shelter.

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Early Dismissal Procedures

With your cell phone please scan the QR code on the red "Scan For Early Dismissal" poster on the wall, type in the information requested, and we will call your student down to leave with you.

STUDENTS: You must come through the front office to exit the school.

Eppler Booster Club

We need you!! Please help!!

The Eppler Athletics Boosters are looking for a few good volunteers! Unfortunately, if we do not get any volunteers, we will have to shut down the group. The boosters have been an integral part of many improvements at the school - water filling stations, providing needed equipment for teams, gym decor update, end of season pizza parties for all teams, just to name a few. Most importantly, we are also in need of a parent or couple of parents that can be responsible for the concession stands at the home games.

If you are interested in either please contact Mr. Paul at eric.paul@uticak12.org

DIGITAL CITIZENSHIP WEEK

October 14th-18th

October 14-18 is Digital Citizenship Week! This is a great time for learning more and refreshing your memory about important digital citizenship and digital wellness skills. It's all about staying safe while on the internet and making good choices!

In today's fast-changing digital world, it's more important than ever for children to navigate the digital landscape responsibly and effectively. Digital Citizenship involves the responsible and effective use of digital resources. It provides students with crucial skills and concepts, such as evaluating online information, creating a positive digital presence, maintaining digital wellness, practicing netiquette (responsible and empathetic online behavior), and understanding privacy and cyberbullying. As classroom technology evolves, so does the concept of digital citizenship. It has shifted from a list of don'ts to a proactive list of dos, seamlessly integrating into the curriculum. Promoting Positive Digital Citizenship is a key goal for our district. Our teachers are committed to incorporating digital citizenship resources and principles throughout the K-12 curriculum.

Digital Citizenship prepares students to use technology responsibly in a tech-driven society, encompassing wellness, safety and literacy.

As you celebrate Digital Citizenship Week, use the [Elementary Calendar](#) or [Secondary Calendar](#) to remember spirit dress up days and to help students reflect on how they can use technology in healthy and responsible ways. [Check out the various parent resources on our website](#) to help you with conversations about digital citizenship and wellness at home.

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Youth and Family Programs

Visit www.careofsem.com for locations, times, and dates for all programs.

Peaceful Alternatives to Tough Situations (PATTS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

* Parent participation required

Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

* Parent participation required

Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence: Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes, INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun.

Allergens Form

We take food allergies and student safety very seriously. If your student has any food allergies, please have your physician fill out the MDE Dietary Needs Form and return it to the food service office. [MDE Special Diet Form](#).

- 1- You must fill out a physician signed MDE Special Needs Accommodation form and send it to the Food Service office. Without this, we cannot make any accommodations. Please make sure to be specific with regards to the allergy (Example: all dairy or just fluid milk intolerance, etc.)
- 2- Because allergies can change, you MUST fill out a new form EVERY YEAR.
- 3- You must indicate to your child's school which days and which menu item you would like at least 48 hours in advance. We will not automatically have these available if we do not hear from parents in advance.
- 4- A vegetarian and nut free options are available every day, so please see the regular menu.
- 5- Juice or water are not acceptable substitutes per USDA guidelines. At this time, we have Kikkoman Soy milk as a substitute. You're welcome to send in your own milk with your child if they don't like it.
- 6- We will do the best we can to accommodate other requests but there may be some limitations. For questions, please call our food service office at 586-797-1180
