Chieftain Cross Country

Saturday, October 11, at the Eastside Invitational/Macomb County Meet. Both teams came to run with grit and determination in their blood.

The girls lead off with an excellent showing against the other 19 teams from around the county. With Claire Cu-bitt finishing 2nd, Salina Patel 13th and Naomi Brown 17th receiving All-County honors and Adalynn Mrak and Navya Hariharan rounding out the team score to place third in the county.

The boys followed up with an impressive showing against their 18 rival teams in the county. With Nicky Lount 9th, Bennett Roeske 13th, Rudy Roeske 15th and Charlie Nowicki rounding the All-County team at 20th and with the help of Marco Vittorini the boys placed 2nd in the county.

Despite the constant weather changes, and half the team being sick the remaining boys all managed to run a personal best for the season Marco Ristau, Rueben Brown, AJ Palczewski, and Isaak McCullough along with everyone else on both teams except one of the 14 runners.

The teams are now putting their sights on next Saturday Regional meet at Dakota High School.

Parent Notification & Opt-Out Form

Dear 7th Grade Parent or Guardian:

Our school will be hosting a presentation on [OK2SAY – Michigan's student safety program](#) for our 7th grade students on **October 27, 2025, during 2nd hour.**

The program is designed to inform students how they can help make their school and community safer by reporting dangerous and concerning behaviors to a trusted adult or OK2SAY.

Students in 4th – 5th grade learn about the OK2SAY student safety program, including how the tipline works. Students are encouraged to always talk to a trusted adult when they see or hear about something that makes them feel worried or unsafe. Students also learn essential tips and strategies for being safe online and off. The presentation emphasizes the difference between "tattling" and "reporting" and helps distinguish between rude, mean, and bullying behavior. Students will learn effective responses to bullying and cyberbullying and recognize techniques used by internet predators, so they are prepared to protect themselves from online harm. Please take a moment to [review the videos featured in the presentation.](#)

Students in 6th – 8th grade learn about the program's purpose and how the tipline operates, including what incidents can be reported, how to submit a tip, and the actions taken after a tip is received. Students are encouraged to examine their behaviors and make smart and thoughtful decisions both online and off. The presentation discusses many issues that impact middle school students including bullying, cyberbullying, mental health issues, self-harm, suicide thoughts, sexting/sexortion, types of abuse, the predator threat, and threats of violence. Throughout the presentation, students are encouraged to stand up for themselves and their peers and always to be mindful of the power of their words. Please take a moment to [review the videos featured in the presentation.](#)

Additional information and resources are available at OK2SAY (ok2say.com).

If you do **NOT** want your child to participate, have your student return the bottom of this sheet to the *Counseling Office no later than Tuesday, October 21.*

Sincerely,

Jerry Pantano, Principal

On September 3, 2025, we met with 7th, 8th, and 9th grade students to address the 2025-2026 Student and Parent Handbook. Below you will find a few key points that we went over with all the students. Everything that we addressed can be found in the UCS 2025-2026 Parent and Student Handbook.

A few key points:

- Students must have a pass when they leave the classroom.
- Students must have their IDs on and visible. (September 11, is picture make up day, everyone should have an ID after the 11th)
- Cell phones should not be used during instruction, lunch, or passing time. (Teacher discretion if cell phones needed for educational purposes) this includes earbuds and headphones.
- Big backpacks are not allowed in the classroom. (Especially 1st and 6th hour) Students need to be using their lockers and string backpacks.
- No food or drinks in the classroom or hallways. (water is allowed)
- Attendance-Regular attendance, being on time, and active participation in class contribute to student success. "Excessive absences" is defined as more than 10 in a semester. Please review the Attendance policy with your student.
- Dress code (Students' dress must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency)

2025—2026 Attendance Information

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve educational benefits only through regular class attendance and a serious commitment to an educational program.

During the 2025-2026 school year Eppler Administration will be sending text messages and emails to parents/guardians about their student's attendance. Messages and emails may have a number or email address that you do not recognize. If the messages are about attendance and mention your student, it was sent to you by Eppler Administration.

Together, we know that strong attendance leads to stronger learning. When schools and families partner to make daily attendance a priority, students are better prepared to succeed—both in the classroom and beyond.

Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).
Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:55

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

School Safety

Safety remains a priority for our school. Eppler Junior High School is once again providing training to our students and staff on our safety protocols. The protocols identify actions that students may be asked to take in the event of a potential incident: hold, secure, lockdown, evacuate and shelter.

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Early Dismissal Procedures

We have a new process for early dismissals. When you arrive at Eppler please ring the bell at our Main Office door, let us know your student's name, show your id to the camera and we will let you in to our vestibule. With your cell phone please scan the QR code on the red "Scan For Early Dismissal" poster on the wall, type in the information requested, and we will call your student down to leave with you.

STUDENTS: You must come through the front office to exit the school.

How to Report an Absence

- When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week. The Shelby Attendance Line is **586-797-2799**. Absences will be input to PowerSchool by 4:00 pm on the date of the absence.

DIGITAL CITIZENSHIP WEEK

OCTOBER 20TH - 24TH

October 20th-24th is Digital Citizenship Week! This is a great time for learning more and refreshing your memory about important digital citizenship and digital wellness skills. It's all about staying safe while on the internet and making good choices!

In today's fast-changing digital world, it's more important than ever for children to navigate the digital landscape responsibly and effectively. Digital Citizenship involves the responsible and effective use of digital resources. It provides students with crucial skills and concepts, such as evaluating online information, creating a positive digital presence, maintaining digital wellness, practicing netiquette (responsible and empathetic online behavior) and understanding privacy and cyberbullying. As classroom technology evolves, so does the concept of digital citizenship. It has shifted from a list of don'ts to a proactive list of dos, seamlessly integrating into the curriculum.

Promoting Positive Digital Citizenship is a key goal for our district. Our teachers are committed to incorporating digital citizenship resources and principles throughout the K-12 curriculum.

Digital Citizenship prepares students to use technology responsibly in a tech-driven society, encompassing wellness, safety and literacy.

As you celebrate Digital Citizenship Week, use this website <http://bit.ly/48TEB5C> to remember spirit dress up days and to help students reflect on how they can use technology in healthy and responsible ways. Check out the various parent resources on our website to help you with conversations about digital citizenship and wellness at home.

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Eppler Goes Gold for Childhood Cancer Awareness

Join us in supporting warriors, survivors, and families in our community through
“Wreck-it like Beckett”.

Beckett’s Warriors/Wreck-it like Beckett T-shirt’s will be for sale all week for \$20!

This year, Eppler Junior High is proud to recognize **Childhood Cancer Awareness Week, September 22-26**, a time to honor children and families who face the difficult journey of pediatric cancer.

Our very own **Aaron and Cadence Eiberger** will serve as student ambassadors for this important week. Childhood cancer awareness is very close to their hearts, as their younger brother Beckett was diagnosed with ATRT, a rare and aggressive brain cancer, just after his third birthday. Beckett endured 2 brain surgeries, 30 rounds of radiation, and 5 months of chemotherapy at St. Jude Children’s Research Hospital. Through it all, he showed incredible strength, courage, and resilience – and today, he continues to inspire those around him.

For Aaron and Cadence, this journey has been life changing. Siblings of children with cancer often carry unseen burdens – worrying if their brother or sister will be here in the weeks and months ahead, taking on added responsibilities at home, and navigating the emotional strain that comes with uncertainty. It’s a reminder that cancer affects the whole family, not just the child in treatment. By highlighting their role as ambassadors this week, we honor not only Beckett’s fight but also the strength and resilience of his siblings.

As a family, the Eiberger/Fowler household has turned their experience into advocacy, creating the nonprofit, **Wreck-it Like Beckett**, which provides support and hope to families walking through childhood cancer. By sharing their story, Aaron and Cadence remind us all of the importance of awareness, compassion, and coming together as a community.

As a school community, we invite everyone to participate, learn, and stand united in awareness. By going gold and engaging in these themes, we might shine a light on the reality of childhood cancer, support those impacted, and remind families that they are not alone.

Childhood Cancer Awareness

Eppler Junior High School held a spirit week to raise awareness for childhood cancer, led by students Aaron and Cadence Eiberger with support from their mother, Tammie Fowler. The event was inspired by their younger brother, Beckett, who was diagnosed at the age of 3 with ATRT, a rare and aggressive brain cancer.

Students and staff participated in themed days like Pajama Day, Sports Jersey Day and Twin Day to show support. The week highlighted the importance of empathy, awareness and community, reminding everyone that childhood cancer affects the whole family—and that no one fights alone.
