Robert S. Monroe

Legacy of Learning

The Class of 2025 has left its mark on us through excellence in the classroom, the field, the auditorium, and at school-related work sites.

Collectively, these graduates have been known for their grit, talent, dedication and work ethic.

Individually, each of our graduates has their own remarkable story to tell accompanied by unique needs and learning styles that were championed by our extraordinary staff.

The legacy of learning in Utica Community Schools is built on creating success through strong programs and paths that allow students to explore their passions.

The instrument that guides this work is our UCS Empowered Strategic Plan. In just two short years, this plan has dramatically improved our programs, our services to families and students, and the physical environment of our schools.

The common thread in these improvements is a data-driven approach that guides decisions and our path forward. Using data, we will continue to study our overall facility usage for effectiveness. We will also use student achievement data to identify areas of systematic or structural changes that will give our teachers and staff greater tools to drive achievement.

We look forward to continuing to build upon this legacy of excellence in partnership with our community.

Henry Ford II seniors showcase where they are heading after graduating high school.

The Pride of UCS: The Class of 2025

On June 7 and 8, Utica Community Schools will host commencement ceremonies at Oakland University's O'rena for the four comprehensive high schools, Gene L. Klida Utica Academy for International Studies, Adult Education and the Utica Alternative Learning Center.

Over 2,000 graduates will be celebrated for the lasting impact they have had on our community. The champions behind our graduates' success – parents, grandparents, friends, classmates, teachers, and UCS staff – will applaud the Class of 2025 as they are awarded their diplomas in recognition of the academic excellence they have achieved.

The UCS Board of Education will distinguish 305 graduates as UCS Advanced Placement Scholars for enrolling in at least four AP courses and earning a cumulative GPA of 3.67 or higher in all AP courses taken. 771 UCS Academic Scholars have already been recognized by the Board of Education for having attained a seven-semester GPA of 3.67 or above while taking part in extra-curricular or community service activities.

Diplomas will be awarded to 74 students from the Advancement Via Individual Determination (AVID) program and 223 graduates will receive the UCS Seal of Global Language.

More than \$40 million in scholarships were earned by the Class of 2025, setting a district record. This graduating class includes 356 valedictorians (4.0 GPA and above) and 15 salutatorians (awarded to student(s) with the next highest GPA below 4.0), all of whom are recognized within this graduation newsletter.

Congratulations to the Utica Community Schools Class of 2025!

Save the Date

Sunday, August 24, Beginning at 2 p.m.

DeKeyser Elementary represents the first step to our vision on how UCS school designs will spur growth and achievement. We hope you will take this opportunity to see how we are transforming the future, thanks to your support of the 2023 Safety and Success Bond Issue.
