PLEASE NOTE Once you have submitted the school's drill schedule, you **MUST** complete the drill on the date and time you have committed to. Public Act 12 of 2014 only allows for a drill date to be changed when a scheduled drill could not occur due to conditions not within the control of school authorities such as severe storms, fires, epidemics, utility power unavailability, water or sewer failure or a health condition as defined by the county or state health authorities. **In this situation, the drill must be rescheduled to occur within 10 school days after the original scheduled date of the cancelled drill.** Please send the requested change directly to Brian LaPorte at brian.laporte@uticak12.org, where he will send the change notification directly to the Macomb County Emergency Management Coordinator.
