HAPPY
new year

The magic in new beginnings is truly the most powerful of them all.

-J. Martin

Getting on the honor roll is a big, but attainable, goal. It looks good on college and university applications and raises your confidence in your work ability. The honor roll is one of the most important awards to get. So if you achieve this goal while you are in school, you should feel very proud of your accomplishment. Though seemingly a lot of work, it can be a straightforward task to get on the honor roll by simply applying yourself and putting in a little extra, strategic effort.

Congratulations to all of our Bemis Spartans who made the 'A' or 'B' Honor Roll this quarter!!

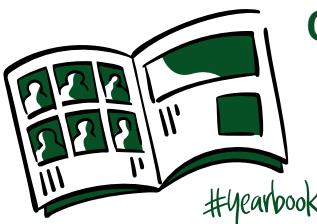

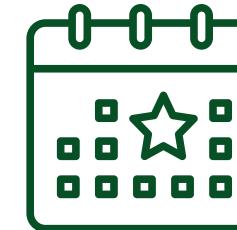

The following students earned Outstanding citizenship marks in all 6 classes.

Bemis Junior High School 2025-2026 Homework Club

Parent and Student Permission form

My child: _____, grade _____, has my permission to participate in The Bemis Homework Club. I understand that it is my responsibility to provide transportation for my child. My child understands that it is his/her responsibility to arrive on time, bring all necessary materials to the Bemis Junior High School Media Center and be prepared to work. My child also understands that all Bemis Junior High School rules apply, and he/she will follow them or face removal from The Bemis Homework Club.

Students will sit quietly at a table and begin homework assignments. When in need of help with the assignment, students will raise their hand. At times the students can quietly work together on common assignments. All students must have a book to read quietly if they finish their work prior to the time of dismissal. Students must remain in the Homework Club location for the entire session.

January 8, 2026

Dear UCS Community,

Welcome to 2026 and the excitement of starting a new year. We begin the new calendar year not only focused on quality experiences for students in our classrooms, but also with our minds firmly on the future. Since its adoption in 2023, the [UCS Empowered Strategic Plan](#) has set us on a positive path where we are creating success for our students.

Student achievement remains at the center of our work. As we start the second semester in Utica Community Schools, we will continue our process of targeting improved outcomes for all students. Information is currently being collected through a series of focus groups, school and classroom visits to understand the changing needs of our students.

While UCS students continue to outperform their peers, there are subsets of students with unique needs who are not experiencing a level of growth we would expect when compared to all students. As a result of our collective work, we will continue to focus on achievement for all students.

In addition to our focus on improved outcomes, the next steps of the strategic plan will bring more opportunities for empowering our community:

- We continue to meet the commitments made to voters through the 2023 Safety and Success Bond Issue. From replacement of drinking fountains to the opening of reconstructed schools, years of planning are taking shape this year throughout our district. We are also looking beyond this facility improvement program to ensure that our families and students across the district have a positive learning environment that meets the expectations of our community.
- Earlier this school year, we provided information to our community on adjusting grade configurations at all UCS schools to K-5 Elementary, 6-8 middle school and 9-12 high school. In December, the Board of Education approved these grade configurations, effective for the 2027-28 school year. UCS teams will begin planning every aspect of the transition, including curriculum, student support structures, and the creation of a UCS middle school model. While the initial feedback from our community was positive, we realize that there are important areas that need to be addressed, particularly as it relates to supporting students during the transition. We will continue to provide regular updates to the community on [our website](#).

Utica Community Schools Board of Education

Mary K. Smolenski, Ph.D. - President • Denyeal Nesovski - Vice President • Steven R. Meyer, Ph.D. - Treasurer
Kelli Rankin - Secretary • Kimberly Becker - Trustee • Machelle Fitzpatrick - Trustee • Michael Austerman - Trustee

In each instance, we are moving forward with transparency through open communications and working in partnership with our staff and community. A frequent question from our community – particularly as it relates to long-standing issues of attendance areas and building configurations – is “why now?”

The answer is that we are making these improvements from a position of strength. Our students on average continue to outperform their state and national peers on standardized tests. Like all Michigan districts, financial stability is an ongoing challenge where much of our financial future depends on state lawmakers. While the grade reconfiguration is positive for students, it also embeds future operational efficiencies in facility maintenance and transportation. This redirects resources back to our classrooms.

We recognize the impact of change on our staff and community. UCS has a strong team committed to a seamless transition as these improvements occur. This is why we began this important work years before implementation. These positive changes are creating new opportunities for today's students and those that start their education in the future. Strong relationships and educational excellence will continue to guide our work. Please never hesitate to contact your students' teachers, building administrators, or our district leadership if you have questions. We are here to serve.

Thank you for your partnership in creating a great 2026 for our students. Your support makes a difference. Together we will continue the Utica legacy of excellence in the months to come.

Sincerely,

A handwritten signature in blue ink that reads "Robert S. Monroe".

To the right of the logo, the text 'UTICA COMMUNITY SCHOOLS' is written in a bold, sans-serif font. Below the logo, the words 'SCAN HERE' are prominently displayed in large, bold, dark blue capital letters. Underneath 'SCAN HERE', a blue horizontal bar contains the text 'TO POST YOUR JOB OPENING TO UCS HIGH SCHOOLS'. Below this bar is a large QR code enclosed in a blue rounded rectangle. The background of the page is white with blue decorative elements: a blue triangle at the bottom left and two vertical columns of blue dots on the left and right sides.

If you know of a business looking to provide jobs to high school students, please share the QR code or click [HERE](#) and encourage them to post the job opportunity. This project to link high school students to community jobs is being coordinated by students in our transitional special education program.

The [UCS Wellness podcast](#) is a resource created by Utica Community Schools, a K-12 school district located within Macomb County, Michigan. With a focus on physical, mental and social health, UCS Wellness serves as a health hub for students and their families, as well as the community as a whole.

Question: What is the name of the traditional Scottish song sung at midnight on New Year's Eve?

Answer: *Auld Lang Syne* (translation: "old long since" or "for old time's sake")

Question: What year was the first Times Square New Year's Eve ball drop?

Answer: 1907

Question: What country is known for smashing plates on New Year's to ward off evil spirits?

Answer: Denmark

Question: When did the original "New Year's Rockin' Eve" broadcast air?

Answer: 1972

Question: What is the most common New Year's resolution?

Answer: Health, exercise, or diet-related goals

Monday	Intense	having a very great degree of something, such as heat, or being in a very great degree or state. The intense heat from the burning building made it impossible for the fire fighters to go in.
Tuesday	Magnitude	size or extent. The magnitude of the universe can make us feel small.
Wednesday	No School	NO SCHOOL
Thursday	Derive	to obtain from a particular source. Many medicines have ingredients derived from plants.
Friday	Complicate	to make more difficult to do or understand. The bad weather complicated our vacation plans.

**Please call the Attendance Line
and NOT the Main Office number.**

Please call 586-797-2599 for:

Early Dismissals Late Arrival All Day Absences

Clearly state and spell your child's first & last name when leaving a message.

Please note that it MUST be a parent/guardian that calls in and not a student or sibling.

EARLY DISMISSALS

**When an Early Dismissal is necessary please call the attendance line
before the start of the school day.**

**Students who become ill at school and require an early dismissal
must report to the Main Office before calling home.**

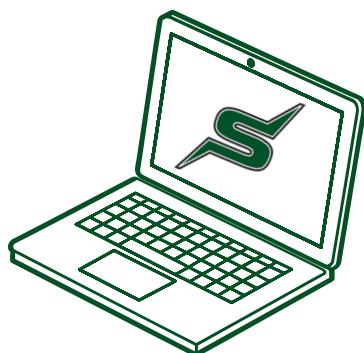

ATTENDANCE IN POWERSCHOOL

**Attendance is recorded in PowerSchool late in the school day. Our goal is to have
call-ins recorded before the office closes for the day. However, if you have any
questions regarding your students attendance, please wait 24 hours to ensure that all
records are complete and up to date.**

**PowerSchool is now generating automated phone calls to parents informing them
of any absences for their students on a daily basis. Please use your Parent Portal to
view your student's attendance. If you have any concerns, email the individual
teacher directly through the staff tab of the school's web site:
<http://bemis.uticak12.org> or through the PowerSchool access.
If a correction is warranted, the teacher will request one.**

Parental Guide to

WHAT IS OK2SAY?

OK2SAY is a state-wide program that allows students, parents or guardians, and other community members to report confidential tips on criminal activities or potential harm directed at students, school employees, or schools. The purpose of OK2SAY is to stop harmful behavior before it occurs.

EASY TIP SUBMISSION

Tips can be submitted 24-hours-a-day, 7-days-a-week.

CONFIDENTIALITY

A key feature of the OK2SAY tipline is that the identity of the tipster must be kept confidential by law. The confidentiality of OK2SAY allows students to push back on any pressure they may feel about being the one to speak up about a concerning or threatening behavior.

How do I talk to my child about OK2SAY?

Please remind your child to immediately talk to a trusted adult or contact OK2SAY if they are worried about their safety or the well-being of another. Immediate action on a tipster's part can help prevent potential harm or minimize the impact of a dangerous situation.

Assure your child that if they submit a tip to OK2SAY, their identity is protected by law. They do not have to worry about retaliation or rejection from their peers. We want students to be advocates for themselves, their peers, and their classmates by speaking up when they know about a potentially dangerous situation.

Remind your child that OK2SAY encourages reporting even if they don't have all the details. Regardless of how small or insignificant they may seem, all tips are valuable in creating a safe environment for everyone. OK2SAY would rather get tips that are "no big deal" or a misunderstanding than miss a tip that could have prevented a lot of pain but was never submitted due to student's hesitation.

Emphasize the importance of using the OK2SAY program responsibly. Filing a false tip is not only dishonest but can divert resources and attention away from genuine concerns. *Students who maliciously file false tips may face serious consequences.*

Remember, open and ongoing conversations with your child about their safety and well-being are essential for building trust and ensuring they understand the importance of reporting concerns.

 Stop the Silence. Help End the Violence.

ok2say@mi.gov

ok2say.com

OK2SAY App available. Search "OK2SAY"

HELPFUL INFORMATION:

- Adults can submit an OK2SAY tip if they have concerns about their own child or another student. Like all OK2SAY reports, the tipster's identity will remain confidential.
- The tipster will not be updated on the outcome of their report. Any information contained in an Outcome Report will be kept confidential, as required by law.
- OK2SAY is unable to enforce a specific outcome, even if an individual is unsatisfied with the resolution of a previously reported situation to their school. They should contact the appropriate person within their school or district to address these concerns.
- OK2SAY acts as an intermediary and forwards tip information to the school and law enforcement. Any relay of safety information to parents would come from the school or law enforcement, not OK2SAY.
- Any OK2SAY reports will not be included in a student's academic record.
- The Family Educational Rights and Privacy Act (FERPA) mandates that schools protect student records. Disciplinary information is very sensitive and private and includes behavior problems, reprimands, and misconduct occurrences. As a result, schools are required to keep these details private and are not allowed to share them with outside parties without the parent's express permission.

What if a report is made about my child?

If an OK2SAY tip is made about your child, it is important to approach the situation with understanding and support. Most often the individual who submitted the tip has noticed a concerning behavior and has a genuine interest to help. Instead of viewing it as a negative thing, see it as an opportunity to address any difficulties your child may be facing.

It is important to communicate openly with your child. Let them know about the report and reassure them that it is not a punishment, but rather a sign that someone cares about their well-being. Encourage them to talk about what may be going on and offer a safe space for them to share their thoughts and feelings.

Remember, the goal is to ensure the well-being and safety of your child. By embracing the report as an opportunity to provide additional assistance and support, you can help your child navigate any challenges they may be facing and promote their overall well-being.

IMPORTANT SCHOOL POLICIES

Dress Code

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

Junior High School Parent and Student Handbook

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. UCS Handbooks are published for elementary, junior high and senior high schools. Each handbook is created with student learning and parent partnership in mind. You are encouraged to download a copy and find the answers you seek at your leisure. Save a copy for future reference or go back and visit again. Remember: Handbooks are updated each year. Please click [here](#) to find the [2024-2025 Handbook](#).

PowerSchool

Parents and students can view their student's schedules, attendance and grades. [Click here](#) to access the PowerSchool Portal. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. [Click here](#) for helpful instructional guides. Access IDs and passwords follow students from year to year. Please contact the main office with any questions.

Bemis Attendance Line

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child's absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor's note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

Early Dismissal

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students' contact list.** Students will not be released to anyone that is not listed on the contact list.

Homework Requests

Homework requests are not accepted until the third consecutive day of absence. You may request your child's homework on that third day by emailing your child's teacher. You can find a list of email addresses by [clicking here](#).

Use of Electronic Communication Devices is Prohibited

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

IMPORTANT SCHOOL POLICIES

If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent. Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

Body Spray

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

Recycle for Charity at Bemis

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office. Donate your gently used clothes, shoes, toys, and small house appliances. DAVThriftMichigan.com
