

WEEK OF OCTOBER 6

BEMIS BULLETIN BOARD (B3).

Bemis Jr. High School's Newsletter for Parents

Dear UCS Families,

As you are aware, the State of Michigan continues to consider a new budget for its new fiscal year, which includes revenue for schools. Early this morning, lawmakers agreed to a one-week extension of their budget deadline while they finalize their plan. The focus of Utica Community Schools continues to be on student achievement. We are committed to providing stability for UCS students, staff and families as the state works through the budget adoption process by continuing all UCS services. A true strength of our school district is our partnership to provide this stability and focus on student success, even as we manage uncertainty and change.

Once the State of Michigan agrees upon their budget for the 2025-26 fiscal year, we will have a better idea of the impact it will have on our district. We are prepared to continue to offer free meals for all UCS students through at least the end of October. Any future adjustment to the free meals program based on the final state budget will be communicated at least 30 days prior to any change.

We will continue to share updates as we have more information. In the meantime, thank you for your continued support of our schools and students.

*Sincerely,
Robert S. Monroe
Superintendent of Schools*

Locking In: the Spartan Way

This year, our students and staff came together to decorate Spartan shields as a powerful symbol of their commitment to “lock in” to the Spartan Way initiative. Displayed proudly in the foyer in a phalanx formation—just like ancient Spartan warriors—the shields represent an unbreakable wall of unity and purpose.

Each shield reflects our community's dedication to the core pillars of the Spartan Way:

- ✦ Kindness
- ✦ Integrity
- ✦ Responsibility
- ✦ Grit

How can I find out what's going on?

- Emails/Texts from Mr. Yaw (the principal)
- The weekly newsletter (B3 you're reading it now)
- The website (our website & the district website)
- Facebook Page
- Instagram
- Your student (we do both morning & afternoon announcements)

School meals will remain free through early fall of 2025

Utica Community Schools is continuing the free school meals program through early fall of 2025 while the State of Michigan works to adopt a budget by the September 30th deadline.

Families are urged to complete the Education Benefits Form to qualify for discounts on athletics, testing and internet. Completing this form also helps UCS receive state and federal funding that directly benefits our schools. To support your child's school by completing the Education Benefits Form, visit www.uticak12.org/familyportal and click 'apply for benefits.'

This school year, breakfast and lunch will be offered to all students. Additional food and drink items will be available for purchase. Please follow the link to access the UCS Family Portal at <https://utica.familyportal.cloud/> to add money to your account and for more information.

Food Allergy Form

Students with food allergies that wish to use school meals must have a Special Dietary Needs form filled out and signed by a physician. Forms must be submitted to the office of Food and Nutrition Service. Accommodations can only be made through this form. This form must be updated every year to ensure accuracy. Since all schools have vegetarian options available, parents do not need to fill out a form for this option.

OK2Say is a nationally recognized program designed to enhance school safety by giving students the tools to step up and speak out when they are concerned about their safety or the safety of another. The OK2SAY student safety program provides a confidential way to file tips on criminal activity or potential harm directed at students, school employees, and schools.

Tips can be submitted 24-hours-a-day, 7-days-a-week.

- Telephone: 8-555-OK2SAY (855-565-2729)
 - Text: 652729 (OK2SAY)
 - Email: ok2say@mi.gov
 - Website: ok2say.com
- OK2SAY Mobile app: Available in the Apple Store or Google Play.

OK2SAY tips have helped thousands of students and saved many lives because students are stepping up and speaking out when they are concerned about a friend or peer. There are 31 tip categories to choose from when submitting a confidential tip. Most tips were related to bullying, cyberbullying, self-harm, anxiety, stress and depression, and suicide. Other top tips include drug/alcohol use, weapon possession, or assault.

Upon receipt of a tip, specially trained OK2SAY technicians address the immediate need and forward the information to the appropriate responding law enforcement agency or organization. Tips go to schools, local law enforcement agencies, community mental health agencies or the Michigan Department of Health and Human Services.

To ensure tips are acted upon, agencies receiving tips are asked to submit outcome reports detailing how the tip was handled. Annual reports on the program's impact detail the types and numbers of tips handled. Annual reports are available on the OK2SAY website.

JUST ASK US

QUESTION

I have been reading about layoffs in other communities as a result of the loss of COVID Relief funds. Will Utica Community Schools be laying off any employees this spring?

ANSWER →

UCS **UTICA COMMUNITY SCHOOLS**

JUST ASK US

ANSWER

No. The COVID relief funds were used to add a number of needed support positions in our district, including increasing the number of social worker positions in UCS. Through strategic financial management, and despite the reduction of one-time only COVID funding, the district will retain all positions and there are no layoffs for any employee group for the 2024-25 school year.

UCS is pleased to introduce its new mobile App. Simply download it from the App Store <https://apple.co/3OQx6St> or Google Play <https://bit.ly/3qiygNv> to get all the latest updates from UCS and your favorite school!

Dress Code

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

Junior High School Parent and Student Handbook

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. UCS Handbooks are published for elementary, junior high and senior high schools. Each handbook is created with student learning and parent partnership in mind. You are encouraged to download a copy and find the answers you seek at your leisure. Save a copy for future reference or go back and visit again. Remember: Handbooks are updated each year. Please click here to find the [2024-2025 Handbook](#).

PowerSchool

Parents and students can view their student's schedules, attendance and grades. [Click here](#) to access the PowerSchool Portal. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. [Click here](#) for helpful instructional guides. Access IDs and passwords follow students from year to year. Please contact the main office with any questions.

Bemis Attendance Line

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child's absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor's note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

Early Dismissal

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students' contact list.** Students will not be released to anyone that is not listed on the contact list.

Homework Requests

Homework requests are not accepted until the third consecutive day of absence. You may request your child's homework on that third day by emailing your child's teacher. You can find a list of email addresses by clicking [here](#).

Use of Electronic Communication Devices is Prohibited

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent. Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

Body Spray

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

Recycle for Charity at Bemis

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office.
