

WEEK OF NOVEMBER 17

BEMIS BULLETIN BOARD (B3).

Bemis Jr. High School's Newsletter for Parents

Getting on the honor roll is a big, but attainable, goal. It looks good on college and university applications and raises your confidence in your work ability. The honor roll is one of the most important awards to get. So if you achieve this goal while you are in school, you should feel very proud of your accomplishment. Though seemingly a lot of work, it can be a straightforward task to get on the honor roll by simply applying yourself and putting in a little extra, strategic effort.

Bemis Junior High School 2025-2026 Homework Club

After School Tutoring

At Bemis Junior High School we are taking positive steps to help your child by offering one hour after school student tutoring sessions three days per week in our Media Center. This program will be facilitated by Bemis Junior High School teachers, along with tutoring by current Henry Ford II High School National Honor Society members. Beginning Monday, October 27, 2025, two Bemis Junior High School teachers will supervise and support students on Mondays and Tuesdays. Each Wednesday, we will have a teacher supervisor and current Henry Ford II High School National Honor Society members tutoring our Bemis students. This is an optional drop-in program, students do not have to attend each session, they do not have to attend every week.

If your child attends any or all tutoring sessions, they are expected to bring all necessary materials and books to the Media Center by 2:55 p.m. and remain until 3:55 p.m. Parents need to arrange to pick up their child by 4:05 p.m. If you would like your child to participate in this program, please complete the attached form and return it to the counseling office prior to your child's first date of attendance.

If you have any questions regarding this program, please contact Mrs. Dolland-Head at: diana.dolland-head@uticak12.org.

Sincerely,
Mr. Yaw

Bemis Junior High School 2025-2026 Homework Club

Parent and Student Permission form

My child: _____, grade _____, has my permission to participate in The Bemis Homework Club. I understand that it is my responsibility to provide transportation for my child. My child understands that it is his/her responsibility to arrive on time, bring all necessary materials to the Bemis Junior High School Media Center and be prepared to work. My child also understands that all Bemis Junior High School rules apply, and he/she will follow them or face removal from The Bemis Homework Club.

Students will sit quietly at a table and begin homework assignments. When in need of help with the assignment, students will raise their hand. At times the students can quietly work together on common assignments. All students must have a book to read quietly if they finish their work prior to the time of dismissal. Students must remain in the Homework Club location for the entire session.

Monday	Formulate	to state in precise or systematic terms. The doctor was trying to formulate a good way to tell her that she would need surgery.
Tuesday	Equate	to make or consider to be equal or equivalent. Classroom learning is essential, but it cannot be equated with experience on the job. Her parents equate money with success.
Wednesday	Interpret	to understand in a particular way. I interpreted her smile to mean that she agreed. We had to interpret a poem in English class.
Thursday	Approximate	close in amount or time, but not exact. The mechanic told us the approximate cost to repair the car. What is the approximate time that you will arrive?
Friday	Vary	to change from something else, or to be different from other things. The weather varies a lot this time of year. The children vary in age from eight years old to fifteen years old.

ATTENDANCE PROCEDURES

**Please call the Attendance Line
and NOT the Main Office number.**

Please call 586-797-2599 for:

Early Dismissals Late Arrival All Day Absences

Clearly state and spell your child's first & last name when leaving a message.

Please note that it MUST be a parent/guardian that calls in and not a student or sibling.

EARLY DISMISSALS

**When an Early Dismissal is necessary please call the attendance line
before the start of the school day.**

**Students who become ill at school and require an early dismissal
must report to the Main Office before calling home.**

ATTENDANCE IN POWERSCHOOL

**Attendance is recorded in PowerSchool late in the school day. Our goal is to have
call-ins recorded before the office closes for the day. However, if you have any
questions regarding your students attendance, please wait 24 hours to ensure that all
records are complete and up to date.**

**PowerSchool is now generating automated phone calls to parents informing them
of any absences for their students on a daily basis. Please use your Parent Portal to

Parental Guide to OK2SAY

WHAT IS OK2SAY?

OK2SAY is a state-wide program that allows students, parents or guardians, and other community members to report confidential tips on criminal activities or potential harm directed at students, school employees, or schools. The purpose of OK2SAY is to stop harmful behavior before it occurs.

EASY TIP SUBMISSION

Tips can be submitted 24-hours-a-day, 7-days-a-week.

CONFIDENTIALITY

A key feature of the OK2SAY tipline is that the identity of the tipster must be kept confidential by law. The confidentiality of OK2SAY allows students to push back on any pressure they may feel about being the one to speak up about a concerning or threatening behavior.

How do I talk to my child about OK2SAY?

Please remind your child to immediately talk to a trusted adult or contact OK2SAY if they are worried about their safety or the well-being of another. Immediate action on a tipster's part can help prevent potential harm or minimize the impact of a dangerous situation.

Assure your child that if they submit a tip to OK2SAY, their identity is protected by law. They do not have to worry about retaliation or rejection from their peers. We want students to be advocates for themselves, their peers, and their classmates by speaking up when they know about a potentially dangerous situation.

Remind your child that OK2SAY encourages reporting even if they don't have all the details. Regardless of how small or insignificant they may seem; all tips are valuable in creating a safe environment for everyone. OK2SAY would rather get tips that are "no big deal" or a misunderstanding than miss a tip that could have prevented a lot of pain but was never submitted due to student's hesitation.

Emphasize the importance of using the OK2SAY program responsibly. Filing a false tip is not only dishonest but can divert resources and attention away from genuine concerns. *Students who maliciously file false tips may face serious consequences.*

Remember, open and ongoing conversations with your child about their safety and well-being are essential for building trust and ensuring they understand the importance of reporting concerns.

Stop the Silence. Help End the Violence.

HELPFUL INFORMATION:

- Adults can submit an OK2SAY tip if they have concerns about their own child or another student. Like all OK2SAY reports, the tipster's identity will remain confidential.
- The tipster will not be updated on the outcome of their report. Any information contained in an Outcome Report will be kept confidential, as required by law.
- OK2SAY is unable to enforce a specific outcome, even if an individual is unsatisfied with the resolution of a previously reported situation to their school. They should contact the appropriate person within their school or district to address these concerns.
- OK2SAY acts as an intermediary and forwards tip information to the school and law enforcement. Any relay of safety information to parents would come from the school or law enforcement, not OK2SAY.
- Any OK2SAY reports will not be included in a student's academic record.
- The Family Educational Rights and Privacy Act (FERPA) mandates that schools protect student records. Disciplinary information is very sensitive and private and includes behavior problems, reprimands, and misconduct occurrences. As a result, schools are required to keep these details private and are not allowed to share them with outside parties without the parent's express permission.

What if a report is made about my child?

If an OK2SAY tip is made about your child, it is important to approach the situation with understanding and support. Most often the individual who submitted the tip has noticed a concerning behavior and has a genuine interest to help. Instead of viewing it as a negative thing, see it as an opportunity to address any difficulties your child may be facing.

It is important to communicate openly with your child. Let them know about the report and reassure them that it is not a punishment, but rather a sign that someone cares about their well-being. Encourage them to talk about what may be going on and offer a safe space for them to share their thoughts and feelings.

Remember, the goal is to ensure the well-being and safety of your child. By embracing the report as an opportunity to provide additional assistance and support, you can help your child navigate any challenges they may be facing and promote their overall well-being.

What are the top issues reported to OK2SAY?

OK2SAY tracks tips by categories. The top ten tips include:

- | | |
|--|---|
| 1. Suicide Threats | 6. Cyberbullying |
| 2. Bullying | 7. Threats |
| 3. Drugs | 8. Sexual Assault / Misconduct / Exploitation |
| 4. Other (e.g., anxiety, stress, depression, harassment) | 9. Self-Harm |
| 5. Planned School Attack | 10. Child Abuse |

Tip statistics can be found at www.ok2say.com.

- 1.) An individual observes or is made aware of a safety concern and submits a tip to OK2SAY.
- 2.) A highly trained OK2SAY technician promptly receives and analyzes the tip.
- 3.) The technician may establish an open dialogue with the tipster to gather all crucial information.
- 4.) Once all relevant details are obtained, OK2SAY promptly forwards the tip to the most suitable responding agency such as a school or law enforcement.
- 5.) The responding agency investigates the tip and provides any needed interventions.
- 6.) After completed the investigation, an Outcome Report is sent to OK2SAY by the responding agency.

Building Configurations

Questions & Answers

What is being considered?

Currently, Utica Community Schools grade configurations are elementary schools that include early childhood, kindergarten and young fives through 6th grade, junior high schools 7th through 9th grade, and 10th through 12th grade being taught at our high schools. The only exception is Henry Ford II High School covering 9th through 12th grade and Bemis Junior High School teaching 7th and 8th grade.

The district is initiating a process that will consider elementary schools with early childhood, kindergarten and young fives through 5th grade, middle schools with 6th through 8th grade, and high schools 9th through 12th grade.

Why is a change being considered?

The current grade configurations were originally created based on the district's capacity to meet its enrollment needs. With changes to its enrollment, Utica Community Schools now has the overall capacity to consider a change.

There are a number of compelling reasons why this is the right time to consider changing grade configurations:

- UCS and Michigan curriculum and assessment standards are organized in a K-5, 6-8, and 9-12 format. This change would better align our schools to successfully meet those expectations.
- We can increase the rigor and course offerings to 6th and 9th grade students and their access to co-curricular activities by changing grade configurations.
- We would have an opportunity to reimagine how a middle school experience can support the unique needs of students in 6th through 8th grade and support a successful transition to high school in the 9th grade.
- The timing is consistent with the current work of our Enrollment Distribution Advisory Committee (EDAC), which is engaged in long-range planning and review of our attendance areas.

Building Configurations Q & A

What is the process being used to consider this change?

The district will be supported by Hanover Research, which also served as a resource for the development of the UCS Empowered Strategic Plan. The process will include consideration of best practices and research, current UCS building utilization, the academic and mental health needs of students, and timeline.

How would a change impact capacity and class sizes?

The district's Enrollment Distribution Advisory Committee (EDAC) is currently involved in a districtwide review of attendance areas. Through this process, the capacity levels of schools would be identified for all levels for a possible grade configuration change. The process will include recent and projected student population declines and their impact on future enrollment at each school.

For our high schools, the additional grade would mean a return to the enrollment that they had about 15 years ago prior to the declines in student enrollment. At the junior high level, all schools would maintain a similar enrollment with the exception of Bemis Junior High which would inherit a third grade level, a change that UCS would need to investigate further. Class sizes would not change; the adjustment would be to the amount of classes being run at any one time in a building.

What is the timeline for implementation?

The timeline will be determined as this process moves forward. Given the amount of planning that would be required for a possible change, implementation would not occur **at least** until the 2027-28 school year. It is possible to go beyond that date based on the level of planning involved for a successful transition.

How will the mental health needs of students be considered?

Utica Community Schools is committed to meeting the needs of the whole child. Through the Culture of Caring in our UCS Empowered Strategic Plan, resources are made available to support the safety and security, social, emotional and nutritional needs of students. A consideration of building changes will prioritize the resources, research and structures that would support a successful transition for students.

This includes proactive outreach to families, student engagement opportunities, and a continued focus on creating school environments that address unique developmental and emotional needs.

JUST ASK US

QUESTION

I have been reading about layoffs in other communities as a result of the loss of COVID Relief funds. Will Utica Community Schools be laying off any employees this spring?

ANSWER →

UCS **UTICA COMMUNITY SCHOOLS**

JUST ASK US

ANSWER

No. The COVID relief funds were used to add a number of needed support positions in our district, including increasing the number of social worker positions in UCS. Through strategic financial management, and despite the reduction of one-time only COVID funding, the district will retain all positions and there are no layoffs for any employee group for the 2024-25 school year.

Dress Code

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

Junior High School Parent and Student Handbook

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. UCS Handbooks are published for elementary, junior high and senior high schools. Each handbook is created with student learning and parent partnership in mind. You are encouraged to download a copy and find the answers you seek at your leisure. Save a copy for future reference or go back and visit again. Remember: Handbooks are updated each year. Please click here to find the [2024-2025 Handbook](#).

PowerSchool

Parents and students can view their student's schedules, attendance and grades. [Click here](#) to access the PowerSchool Portal. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. [Click here](#) for helpful instructional guides. Access IDs and passwords follow students from year to year. Please contact the main office with any questions.

Bemis Attendance Line

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child's absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor's note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

Early Dismissal

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students' contact list.** Students will not be released to anyone that is not listed on the contact list.

Homework Requests

Homework requests are not accepted until the third consecutive day of absence. You may request your child's homework on that third day by emailing your child's teacher. You can find a list of email addresses by clicking [here](#).

Use of Electronic Communication Devices is Prohibited

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent. Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

Body Spray

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

Recycle for Charity at Bemis

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office. Donate your gently used clothes, shoes, toys, and small house appliances. DAVThriftMichigan.com
