According to the Student Handbook, vacation or travel during school days is discouraged. Families should seek permission from a building administrator for an excused vacation absence before making any travel arrangements. The request should be made in writing at least one week prior to the vacation. Vacation absences of more than 10 days in a semester will not be approved. Vacations taken without approval will be marked as unexcused absences. Students approved for excusal should pick up a “Pre-arranged Absent Form” from the Counseling office. Homework may be requested and requires 24 hours to process. However, most teachers post their assignments on Schoology.

Work at the secondary level may be due upon return from vacation or travel.

December 16, 2025

Dear UCS Community,

Over the past few weeks, I have been sharing with you a series of updates on our work to address long-standing issues related to UCS attendance areas. Our district leadership has been working with the Enrollment Distribution Advisory Committee to create a plan that will keep neighborhoods together, address building capacity issues and strengthen relationships by ensuring elementary students remain with their peers as they advance through their junior high and high school years.

Last evening, our Board of Education approved this plan, which will become effective in the coming school years as outlined [on our website](#). These changes complete the review of the Henry Ford II High School and Stevenson High School attendance areas. This spring, the Enrollment Distribution Advisory Committee will begin its review of attendance areas in the Utica High School and Eisenhower High School feeder patterns.

We are committed to taking the time necessary to create a seamless and positive transition for our students, staff and families. We will work together to ensure our students experience success in our classrooms today and well into the future. As we continue to implement improvements through our [UCS Empowered Strategic Plan](#), there is one thing I know will never change - the relationships we build that empower our students.

We will keep our community updated as we move forward with our strategic planning in the new calendar year. We are in an important moment of time, and we are embracing our future from a position of strength. I look forward to working in partnership with our entire community as we take our exemplary school district to its next level.

I wish you the best for a safe and peaceful holiday season. Enjoy this time with your family and we look forward to seeing you again on January 5<sup>th</sup>.

Sincerely,

A handwritten signature in black ink that reads 'Robert S. Monroe'.

### Parent and Student Permission form

My child: \_\_\_\_\_, grade \_\_\_\_\_, has my permission to participate in The Bemis Homework Club. I understand that it is my responsibility to provide transportation for my child. My child also understands that all Bemis Junior High School rules apply, and he/she will follow them or face removal from The Bemis Homework Club.

Students will sit quietly at a table and begin homework assignments. When in need of help with the assignment, students will raise their hand. At times the students can quietly work together on common assignments. All students must have a book to read quietly if they finish their work prior to the time of dismissal. ## Parental Guide to OK2SAY

### WHAT IS OK2SAY?

OK2SAY is a state-wide program that allows students, parents or guardians, and other community members to report confidential tips on criminal activities or potential harm directed at students, school employees, or schools. The purpose of OK2SAY is to stop harmful behavior before it occurs.

### EASY TIP SUBMISSION

Tips can be submitted 24-hours-a-day, 7-days-a-week.

### CONFIDENTIALITY

A key feature of the OK2SAY tipline is that the identity of the tipster must be kept confidential by law. The confidentiality of OK2SAY allows students to push back on any pressure they may feel about being the one to speak up about a concerning or threatening behavior.

### How do I talk to my child about OK2SAY?

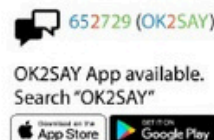

Please remind your child to immediately talk to a trusted adult or contact OK2SAY if they are worried about their safety or the well-being of another. Immediate action on a tipster's part can help prevent potential harm or minimize the impact of a dangerous situation.

Assure your child that if they submit a tip to OK2SAY, their identity is protected by law. They do not have to worry about retaliation or rejection from their peers. We want students to be advocates for themselves, their peers, and their classmates by speaking up when they know about a potentially dangerous situation.

Remind your child that OK2SAY encourages reporting even if they don't have all the details. Regardless of how small or insignificant they may seem; all tips are valuable in creating a safe environment for everyone. OK2SAY would rather get tips that are "no big deal" or a misunderstanding than miss a tip that could have prevented a lot of pain but was never submitted due to student's hesitation.

Emphasize the importance of using the OK2SAY program responsibly. Filing a false tip is not only dishonest but can divert resources and attention away from genuine concerns. *Students who maliciously file false tips may face serious consequences.*

Remember, open and ongoing conversations with your child about their safety and well-being are essential for building trust and ensuring they understand the importance of reporting concerns.

### HELPFUL INFORMATION:

- Adults can submit an OK2SAY tip if they have concerns about their own child or another student. Like all OK2SAY reports, the tipster's identity will remain confidential.
- The tipster will not be updated on the outcome of their report. Any information contained in an Outcome Report will be kept confidential, as required by law.
- OK2SAY is unable to enforce a specific outcome, even if an individual is unsatisfied with the resolution of a previously reported situation to their school. They should contact the appropriate person within their school or district to address these concerns.
- OK2SAY acts as an intermediary and forwards tip information to the school and law enforcement. Any relay of safety information to parents would come from the school or law enforcement, not OK2SAY.
- Any OK2SAY reports will not be included in a student's academic record.
- The Family Educational Rights and Privacy Act (FERPA) mandates that schools protect student records. Disciplinary information is very sensitive and private and includes behavior problems, reprimands, and misconduct occurrences. As a result, schools are required to keep these details private and are not allowed to share them with outside parties without the parent's express permission.

### What if a report is made about my child?

If an OK2SAY tip is made about your child, it is important to approach the situation with understanding and support. Most often the individual who submitted the tip has noticed a concerning behavior and has a genuine interest to help. Instead of viewing it as a negative thing, see it as an opportunity to address any difficulties your child may be facing.

It is important to communicate openly with your child. Let them know about the report and reassure them that it is not a punishment, but rather a sign that someone cares about their well-being. Encourage them to talk about what may be going on and offer a safe space for them to share their thoughts and feelings.

Remember, the goal is to ensure the well-being and safety of your child. By embracing the report as an opportunity to provide additional assistance and support, you can help your child navigate any challenges they may be facing and promote their overall well-being.

- 2.) A highly trained OK2SAY technician promptly receives and analyzes the tip.
- 3.) The technician may establish an open dialogue with the tipster to gather all crucial information.
- 4.) Once all relevant details are obtained, OK2SAY promptly forwards the tip to the most suitable responding agency such as a school or law enforcement.
- 5.) The responding agency investigates the tip and provides any needed interventions.

**JUST ASK US**

**QUESTION**

I have been reading about layoffs in other communities as a result of the loss of COVID Relief funds. Will Utica Community Schools be laying off any employees this spring?

**ANSWER** →

**UCS** **UTICA COMMUNITY SCHOOLS**

**JUST ASK US**

**ANSWER**

No. The COVID relief funds were used to add a number of needed support positions in our district, including increasing the number of social worker positions in UCS. Through strategic financial management, and despite the reduction of one-time only COVID funding, the district will retain all positions and there are no layoffs for any employee group for the 2024-25 school year.

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

**Junior High School Parent and Student Handbook**

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. **Bemis Attendance Line**

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child’s absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor’s note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

**Early Dismissal**

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students’ contact list.** Students will not be released to anyone that is not listed on the contact list.

**Homework Requests**

Homework requests are not accepted until the third consecutive day of absence. You may request your child’s homework on that third day by emailing your child’s teacher. You can find a list of email addresses by clicking [here](#).

**Use of Electronic Communication Devices is Prohibited**

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD’s picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

**If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent.** Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

### **Concussion Awareness**

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

### **Body Spray**

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

### **Recycle for Charity at Bemis**

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office. Donate your gently used clothes, shoes, toys, and small house appliances. [DAVThriftMichigan.com](http://DAVThriftMichigan.com)
