School ID Reminder

Attention students! Please remember to wear your school ID each day. Wearing them in the cafeteria lunch line helps the cashiers identify you and move through the line at a faster pace. If you are wearing a temporary ID for the day, please wear it on your shirt so they can see your name. Please do NOT put the ID on your pants! Thank you!

After School Pick Up on Horizon Drive

If you pick up your Malow student on **Horizon Drive** after school, please be courteous to the homeowners and **NOT** block driveways!

***After School Pick Up at Eisenhower**

Please do not park in the middle section of the back parking lot as you wait to pick up your Malow student. An athletic bus needs to get through the lot and park near door #14 to pick up students. Thank you.

Malow Yearbook Information

The 2024-2025 Malow yearbook can be purchased at www.jostensyearbooks.com.

For all students in 9th grade who participate in an Ike fall sport:

On October 8, during your 5th hour class, we will take photos for Ike fall sports in the Aux Gym to put in the yearbook. Please wear a piece of clothing (jersey, jacket, t-shirt, etc.) that represents your Ike fall sport. Please let your 5th hour teacher know, prior to October 8, that you will be excused for 15-20 minutes at the beginning of the hour. If you are not in a piece of team clothing, you may not be able to be in the team photo. We would prefer if you could match with your teammates who are here at Malow so we have a more put-together photo. Thank you for your understanding!

Fall school events offer occasions to introduce new parents to those volunteering opportunities associated with each school building. Please remember that any person who is sanctioned to engage students on the district's behalf (i.e., assistant athletic coach, Science Olympiad, Lego Robotics, chaperone, etc.) requires a cleared check. If a parent has students in more than one school, only one volunteer form must be completed. [Click here](#) for the background check form if needed. Please turn in to the front office.

Fall Conference Information – Virtual or In-Person

Parent-Teacher Conferences are on October 10th from 12:00pm 3:00pm and on October 17th from 3:30pm to 7:30pm. We will be using SchoolSoft again to schedule conferences. Families have two options for conferences, virtual or in-person. Please schedule your conferences depending on the type of conference you prefer.

- Thursday, October 10 (12:00 – 1:45 p.m. - **Virtual** Conferences)
- Thursday, October 10 (2:00 - 3:00 p.m. - **In-Person** Conferences)
- Thursday, October 17 (3:30 – 6:15 p.m. - **Virtual** Conferences)
- Thursday, October 17 (6:30 - 7:30 p.m. - **In-Person** Conferences)

BOTH In-person and virtual conferences require an appointment. “Drop in” conferences are not available. Please do not come to the school during in-person conference times unless you have a confirmed appointment in SchoolSoft.

We ask that you be prompt for in-person appointments and know that to keep all our parents on track for their scheduled conferences, parents and teachers will need to keep to the five-minute allotment.

The first time you use the Conference Manager you will be required to register and create a parent account. This only takes a minute or two to complete. You will continue to use this same account for the duration of the time you have children in school, so please save your password for future reference.

Please note - while you can register at any time, the window to book an appointment will not open until 3:00 p.m. on Thursday, October 3rd. The appointment window will close on Tuesday, October 8th at 9:00 p.m.

To create a SchoolSoft account, please use the following steps:

A tutorial is also available at this link: <https://youtu.be/ZkXePo9mn8U>

1. Go to the following website <https://utica.schoolsoft.com>.

2. First Time Users: Register for a parent account. To register click the REGISTER NOW button and complete the registration page. Once registered you will be able to immediately log in to the Conference Manager. An email will also be sent to the address you specified. This email restates your username and password and should be saved, as you will use the same username and password when booking future rounds of Parent-Teacher Conferences. If you forget your password, you can reset it using the FORGOT PASSWORD link under the login button.

Existing Users: If you already have a SchoolSoft account, login with your existing username and password. Make sure that your school(s) are correctly listed. If they are not correct, you will need to go into MY PROFILES and change the name of your child's school. When everything has been updated, don't forget to click SUBMIT.

If you have a student taking classes at more than one school (for example CSI and the Virtual Junior High School), you will enter that student's name in 2 different student slots. For example, if Joe Smith attends both CSI and the VJHS, you will enter the following in the student information screen:

Student 1: Joe Smith Instructional Resource Center CSI/MST

Student 2: Joe Smith UCS Virtual Junior High School

If you have any other students for whom you will be conferencing, you will enter them in this screen, as well.

Student 3: Patty Smith Shelby Junior High School

Once you have entered all of your children's names and schools, finish the page and submit.

After registering you can log back into Conference Manager after 3:00 p.m. on Thursday, October 3 to select your teachers and conference times. This can be done up until 9:00 p.m. on Tuesday, October 8, when the window will close. These instructions are below.

3. Click the BOOK NOW button and select a conference date in the date drop-down that appears. Then, select the teacher(s) you wish to meet with and click the NEXT button. To coordinate bookings involving multiple teachers select all the teachers applicable to your child(ren) with whom you wish to meet.

4. Click on an available time slot for each teacher you selected and complete the booking form that appears. You should see the booking appear in the summary list on the right-hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email.

5. Confirm your appointments have been booked by looking at the "CURRENTLY BOOKED CONFERENCES" box on the right of the screen or click on the MY CONFERENCES tab. Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings.

6. When finished booking, click the log off button located at the top right of the browser window. You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.

7. VIRTUAL: Just prior to your scheduled conference time, you will receive a link to your video conference. At the appropriate time, click on the link and the teacher will admit you to the room.

8. IN-PERSON: Print/screenshot your conference itinerary email so that you have it with you to check in at conferences.

Here are a few reminders:

- PLEASE be on time. Teachers are scheduled back-to-back with conferences.
- Conferences will be limited to 5 minutes. I have asked teachers to stay on schedule and not exceed 5 minutes.
- If your child has an IEP and is in a co-taught class, please sign up to meet with the special education co-teacher of that course.
- If you need more time than the allocated 5 minutes, email the teacher for additional conference time.
- If you were unable to schedule a conference with your child's teacher, email the teacher for a conference.
- If you have technical issues during the conference, please email the teacher and a separate conference will be scheduled.
- If your child is struggling academically, socially, or emotionally, please reach out to the counselor for additional support.

If you have questions, please contact us at 797-3500.

Attendance & Grading

Attendance is required and tracked in accordance with [Board of Education policy 5115](#). Parents should call the attendance line to report all absences (586-797-3599). Attendance will be taken each hour. Tardiness will be tracked the same way as face-to-face instruction. The Malow office will continue to communicate all absences via automated email to parents on the same day. Actual grades will be given and posted on PowerSchool. We recommend that all parents consistently check PowerSchool for updated grades and attendance.

Attendance Line / Late Arrival Call-in

If an absence is absolutely necessary, **parents must call the Malow attendance voice mail BEFORE 9:00 a.m. The attendance phone number is 797-3599**. Give the student's name (**spelling the last name**), grade, reason for absence and length of absence. The voice mail is on twenty-four hours a day, so you can avoid busy phone lines in the morning by phoning in the night before. If unable to reach the voice mail, parents may call the Main Office at 797-3500. If it is impossible to call the school, the parent must supply a signed note stating the date and reason for absence when the student returns to school or the absence will be counted as unexcused.

Early Dismissals

Non-School Issued Electronic Communications Devices (UCS Student Handbook)

The personal use of non-school issued cell phones or other electronic communications devices (ECDs) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. **Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official.**

During tests and assessments, cell phones/ECDs must be placed in lockers, backpacks, or another location away from students and their desks. Please see the UCS Student Handbook for ECD protocols during state testing. If a student needs to place an emergency phone call during the day, they should request to go to the main office to use an office phone. If a parent needs to give a message to or speak with their child during the school day, they should call the main office. If a student does not comply with the request to provide the staff member their cell phone for a violation, they could face consequences for insubordination/disrespect. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student is found to be in violation of the above expectations, the following plan will be implemented:

First Violation – Warning #1

Cell phone/ECD will be taken to the office with first and last name of student.
Student picks up phone at the end of day.

Second Violation – Warning #2

Cell phone/ECD will be taken to the office with first and last name of student.
Malow office will contact the parent.
Student picks up phone at the end of day.

Third + Violation

Cell phone/ECD will be taken to the office with first and last name of student.
Malow office will contact the parent.
Student picks up phone at the end of the day.
Disciplinary Action per Administration.

Do You Drive Your Student to School?

Safety in our parking lot is our number one priority. We truly appreciate the patience and courtesy extended between drivers. Please continue to drive slowly and be aware of your surroundings. Our students do a great job complying with our rules in the parking lot, but we still need to be extremely cautious.

If it is necessary to drive your child to school, please use the outer lane for quick drop off of students while reserving the inner lane for thru traffic. Have your student exit the vehicle as **quickly** as possible. **Please do not wait until you are the first car in line before dropping your student off, and do not wait until your child is in the building before driving away.** The idea is to reduce the long line of cars coming into the parking lot in the morning by allowing several cars to drop off students at one time. If you or your student insists on waiting to get to the front of the line to exit the car, the purpose is defeated, and traffic flow will be impeded.

Technology Responsibility

We are asking for everyone to review the [5160 Rules and Regulations Information and Communication](#). Please make sure that when laptops are transported back and forth to school that they are secured in a backpack. Please also remember, as stated in the linked document above, parents/students will be held financially responsible for damage to or loss of UCS the laptops.

PaySchools is Now PaySchools Central

All UCS schools now utilize a central PaySchools site, which can be visited at www.payschoolscentral.com. For more information and a PaySchools Central parent/student guide, please [click here](#).

Student Procedures for In-Person Instruction

- Students will be allowed to carry string backpacks and full-sized backpacks each day.
- Students will be expected to bring their **charged** laptops each day. It is recommended that the laptops charge overnight to be ready to bring the next day.
- Our [student ID policy](#) is attached.
- Our [cell phone policy](#) is attached.
- All students will enter the building through Door 1. From there, they will move to 3 separate locations based on grade level:
 - 7th grade will move to cafeteria.
 - 8th grade will move to the Main Gym.
 - 9th grade will move to Aux Gym.Students will remain in these locations until the warning bell rings, at which point they will move immediately to class.
- At the end of the day, all students will exit out of Door 1 and Door 2, which are in the front of the building.

Technical Support Contact Information for Students and Parents

The UCS Helpdesk will offer two ways for parents and students to contact them directly for technical support: Telephone: 586-797-1055 from 7:30 a.m. – 6:00 p.m. Email: techsupport@uticak12.org While the first resource for addressing issues is the school, this contact information will be useful if students have a technical support issue that we are not able to address, or students are encountering issues after school hours.

Automated Call Phone Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the District will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. As we approach inclement weather season, it is a good time to remind parents and staff to ensure any recent change to phone number(s) has been reported. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Food Deliveries at Malow

Food that is delivered by a company such as Door Dash or Grub Hub will not be permitted at Malow. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria or school store. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This practice takes place at the high school level and Malow is aligning with Eisenhower in order to provide consistent expectations for our students. Thank you for your understanding and we appreciate your support.

Struggling Students

It is important to Malow counselors that ALL our students are successful. For students who may be struggling, we first encourage communication between the parent and the classroom teacher. If missing assignments are a problem, we encourage parents to try changing the question from, “Do you have homework tonight?” to “When will you complete your nightly study time?” Even on rare nights when no homework is assigned, all students will benefit from spending a minimum of 20-30 minutes each night reading textbooks, reviewing vocabulary flashcards, preparing for upcoming quizzes/tests, etc. If students don’t bring home books and materials for this study time, parents can assign reading from a book at home, etc. Once students realize that their parents are serious about consistently enforcing a mandatory nightly study time on each school night (Sunday through Thursday), they will begin to bring home and complete their assignments.
