

Utica Community Schools

2024 Hybrid

Credit Forward – UCS Teacher

Utica Community Schools is pleased to offer a hybrid learning experience to current secondary UCS students. This program will afford students an opportunity to earn an additional one-half credit toward graduation requirements per course.

- The hybrid format is self-paced with computer-based courses. While a teacher is available for assistance, direct instruction is not available. This requires students to be on task and self-motivated.
- Students may take up to 2 classes at a time, via hybrid that they did not receive credit for. Additional classes may be taken online if time permits.
- Students are required to attend an in-person orientation session the first week of summer classes.
- All tests and final exams must be taken on-site.
- Students must earn a minimum overall score of 60% to receive a letter grade and credit for the course.
- Each student will be assigned a mentor teacher who will be their point of contact for any issues that may arise during the course. Teachers are available on-site Monday through Friday.
- Online courses for NCAA eligibility will be available upon request.
- Be sure to contact your counselor prior to signing up for summer school.

Who would benefit from this program?

Students who are looking to complete a course for graduation requirements prior to the start of the 2024-2025 school year to open their schedules for other course work.

How do I register?

Can my child graduate from high school early because of the credits earned through the online learning experience?

No, these courses can be used to fill graduation requirements but not to graduate early.

Will the final grade earned in this course final grade appear on my child's transcript?

Yes, a score of 60% or higher will be required in order for the student to receive credit for the course. The grade earned will be posted on the course history, be factored in calculating GPA and become part of the student's official transcript and will be used to fulfill graduation requirements if your child successfully completes the course.

Can my child choose to receive a credit (CR) for the course(s)?

No, [UCS Policy 6210](#) states, students will be required to take the end of the course exam provided by the electronic course agency in the presence of the UCS mentor or designee. A score of 60% or higher will be required in order for the student to receive credit for the course. The grade earned will be posted on the course history, be factored in calculating GPA and become part of the student's official transcript.

Is there an orientation for the program?

Yes, students are required to attend in person orientation session the first week of summer classes (June 17, 2024 – June 21, 2024)

What is the cost for a course?

There is no cost for a course this program is supported by grant funds for the summer of 2024.

Will my child need their school computer?

Yes, your student will need to bring their school issued device and charging chord to each session. More information regarding devices will be provided in a follow up email in late May 2024.
