

A decorative border surrounds the central text, featuring various school and science-themed illustrations. At the top, there are pencils, pens, a ruler, a yellow bell, a green gear, a paint palette, and a basketball. On the right side, a yellow watering can, a magnifying glass, and a stack of books are visible. The bottom border includes a globe, a microscope, a pair of scissors, a paper airplane, a lightbulb, a soccer ball, and a stack of books. On the left side, there are molecular models, a DNA helix, and a book. The background is white, and the illustrations are in a flat, colorful style.
