# Welcome

Welcome to Utica Community Schools Summer Care Program. Our program goal is to provide a safe, fun, enriching and stimulating environment for your child. Summer Care is designed to care for Infants and Toddlers as well as Preschool children who have not yet completed Kindergarten. Children in our preschool program must be toilet trained.

The Summer Care Parent Handbook outlines what parents can expect from our program along with our policies and procedures. **Please keep this handbook readily available as it provides answers to frequently asked questions.**

Our programs establish a daily routine that the children quickly become familiar with.

Summer Care activities include but are not limited to arts, crafts, math, science, self-directed play, physical activities (indoor and outdoor) and much more!

If you have any questions, comments or concerns please feel free to contact the UCS Early Childhood office at (586) 797-4660 or email [ec@uticak12.org](mailto:ec@uticak12.org).

## Program

**Summer Care will provide the following:**

- A safe, friendly and healthy environment where staff will strive to meet the emotional, social and physical needs of each child.

# Signing Your Child In/Out of Summer Care

For your child's safety, Summer Care and the State of Michigan **mandate that an adult must walk children into the building and sign them in with your initials.** The same procedure will be used when picking up your child. The sign in/sign out procedure is very important for staff to maintain safety.

- You must present your Summer Care program badge to the camera at the entrance of the building.
- Children with temperatures at 100.2 or above will not be allowed to enter.
- Please sign your child in and out using the Ipad when entering your child's classroom.
- Children may not use the iPad to sign themselves in or out.
- Your child will only be released to the person(s) on the Child Information Record.
- Photo identification will be requested every day. Please show your ID to the staff at pick up. Please advise the individual picking up your child to bring photo identification with them.
- **We cannot release children to siblings unless they are 18 years of age or older, have a photo ID, and are listed on the Child Information Record.**

## Late Pick Up

- Summer Care closes promptly at 6:00 pm. **At 6:01pm a late fee of \$15 every fifteen minutes** will be charged until student is picked up.
- If a child is not picked up by 6:00 pm and the Summer Care Staff has not received a phone call from the parent, the following procedures will be implemented:
  - A call will be made to the parent to determine if there is a delay at work or in traffic. This does not exclude parents from being charged the late pickup fee.
  - Persons on the Child Information Record will be alerted if the parent has not arrived by 6:15 pm to pick up the child.
  - If we are unable to contact anyone whose name is on the Child Information Record by 6:30 pm the local police or Child Protective Services will be called.

If a Summer Care staff member suspects that a parent or authorized person cannot safely transport the child, our staff will:

- Offer to keep the child in our care.
- Ask the adult if they would like to contact another adult.
- Offer to call other means of transportation.
- Advise the parent that it is not safe to transport child and we will notify authorities that they are leaving our facility and planning to transport the child.

# Custody

Unless custody has been established by a court action, one parent may not limit the other from picking the child up from Summer Care. If there is a court document ordering one parent to withhold the release of a child from his/her parent, a copy of the court order must be on file with the Director holding paperwork and/or emergency card.

Custodial parent is responsible for maintaining accurate and up to date paperwork and emergency card contact information.
