A MESSAGE FROM MR. CUCCHI

May 9, 2025

Good afternoon Titan community,

Senior families, as we enter my favorite time of the year, it's crucial to remind our seniors that their journey is far from over. With just two weeks left in the school year for our seniors, it's important they stay focused on passing their classes, acing exams, and avoiding any loss of credits due to tardiness, absences, or poor decisions.

We've had our Senior Meetings and awards ceremonies and recognitions are happening almost daily. This is the perfect time to discuss making good choices. One key message I want to emphasize is that a split-second decision can have significant consequences for your child. In my 12 years of graduating seniors, I've only had to refuse commencement once. I am very clear about how disciplinary actions at this stage can impact opportunities such as prom, honors night, and commencement.

I remind our seniors that missed opportunities are a result of their own choices. We are all accountable for our actions and choices made outside of school are equally important. As the weather warms up, please remind your students to stay safe and make positive decisions. We want to celebrate their success at the end of the year and not mourn any losses.

Let's work together to ensure a successful and joyous conclusion to this school year.

Outstanding fees are posted in PowerSchool. Fees need to be cleared before the end of the school year, each year. Students with outstanding fees cannot purchase parking permits or participate in extracurricular activities: including Field Trips, Athletics, Titan Days, Homecoming, and Prom, until all fees are cleared, or on a payment plan. Seniors with outstanding fees will not receive their diplomas until all fees have been paid. Payments can be made on PaySchools Central, www.payschoolscentral.com, or in person with cash/check in the bookstore. Contact Remi Darroch, Bookkeeper, with any questions regarding fees, 586-797-1903, remi.darroch@uticak12.org

Fourth-quarter Progress Reports will post to Powerschool this afternoon.

A quick reminder of important dates: The 4th quarter concludes on June 11, and final report cards will be posted on June 18.

UCS Staff Appreciation Shout Outs – Do you know of any teachers, administrators or support staff who made a difference this year? In honor of Employee Appreciation days, email your “Shout Outs’ to UCS@uticak12.org. They will be shared on social media and with the staff directly beginning May 1, 2025. See the flyer in the Titan Voice.

Laptop Collection for Seniors –

Seniors will turn in their UCS laptops during their English classes May 22 - 23.

Virtual Students can turn in their laptop on Friday, May 23 from (8:30 a.m. -10:00 a.m.)

Seniors can turn in laptops early if they are not required for classes, starting May 19.

*Laptops will be assessed for damages; any fees related to damage are due prior to receiving your Graduation tickets. Seniors can see Mrs. Patalon in the Media Center to check for damages at any time. If you know of a current problem or if there is damage to your laptop, please see Mrs. Patalon immediately.

To make this process easier and less time consuming on their last day, we will be collecting the SENIOR laptops **after** they take their English exams on Thursday 5/22 and Friday 5/23. (As long as they do not need it for another exam)

Please be sure Senior students do the following **BEFORE** going to the Media Center:

- Ask if the students will need laptops for another exam (if they do, obviously, we cannot collect them).
- Make sure the laptops are **ON and they have their charging cord wrapped up before** they go to the Media Center. This will speed up the process.
- Remove ALL PERSONAL stickers from laptop without damaging device or they will be charged.

Any other questions or concerns, please have your student send a Teams message Lisa Patalon or see her in the Media Center.

AP textbooks are to be returned **inside the Media Center**. They are too large for the book return slots outside the Media Center.

There will be a sign on the counter where they can stack the textbooks to be returned.

Graduation Ticket Information

Seniors will receive their Graduation Tickets **AFTER** they provide the signed Acknowledgement of Senior Meeting form, turn in their UCS laptop, and pay all outstanding fees, including any assessed damaged laptop fees.

Do not lose your tickets, there are NO extras.

If Commencement tickets are not picked up before Tuesday, June 3 at 3:00, they will be forfeited and redistributed to those in need.

SENIOR SCHOLARSHIPS

Senior Scholarship opportunities are continuously updated and can be found on our Stevenson Counseling Website under "scholarships". You can find the link here: [Counseling / Scholarships](#)

If a student has a question regarding a scholarship process, please feel free to email or TEAMS Ms. Sullivan.

Communication Flow Chart: Parents often feel frustrated when trying to communicate with school officials, only to be passed from one person to another without resolution. To help alleviate this, we encourage parents to familiarize themselves with the "Communication Process Flowchart." This chart will help you understand where to start and how to navigate the process when addressing concerns or issues with Stevenson staff.

Most times, reaching out directly to the staff member who is most involved will provide a quick and thorough response. As you move up the flowchart, the individuals involved may not be as directly connected to the issue, and they might require additional time to research and provide a response. If you do not hear back within two (2) school days, it's perfectly appropriate to follow up before moving on to the next level in the flowchart.

We are committed to ensuring that your questions and concerns are addressed in a timely manner. Please start by communicating with the person closest to the issue, and if necessary, escalate the matter step-by-step according to the flowchart. Email is the most effective way to communicate, followed by phone calls. Please see the Titan Voice for the "Communication Process Flowchart".

Stevenson Titan Athletes could use your help! We are in the process of redesigning our fieldhouse to create a space for all athletes to work out with state-of-the-art equipment better aligned to their personal athletic goals. While the district and the school are paying for items like HVAC, lighting and flooring, the boosters are raising funds for the equipment. To make this possible we are designing a seasonal program that will highlight our athletes and the businesses that support them!

Sponsorship Opportunities

Our project aims to attract sponsors for new fieldhouse equipment. We offer five sponsorship levels with key benefits, including advertisement in the sports program. The goal is to create a sustainable program providing ongoing support and ensuring the success of our athletic programs.

Fieldhouse Equipment

The new state-of-the-art equipment will benefit all athletic programs at Stevenson. The fieldhouse can accommodate multiple teams simultaneously, fostering a sense of pride among coaches, parents, students, and staff.

How You Can Help

We need everyone's support to ensure this program's success. Here's how you can contribute: To meet our goal to pilot our first ever program, we need all sponsor requests in by June 1. [Here](#) is a link to a form that will get the process started.

For any questions or feedback, please contact the Athletic Booster Club at Stevensonathleticboosterclub@gmail.com Thank you for your continued support!

ATTENTION – The school day ends at 2:14 p.m. Students must exit the building by 2:30 p.m. Any student who is staying after school must be under the supervision of a staff member, coach, or teacher. If practice is not immediately after school, students are expected to go home and return at their practice time. Also note that students are not allowed in the gyms at any time unless a coach or teacher is present.

No outside purchased food or drinks are permitted, students can get lunch/breakfast from the cafeteria, school store or bring a lunch.

ATTENDANCE When a student has accumulated 11 absences* in any one class over the course of a semester, the student will be notified in a meeting with an assistant/associate principal that they have lost credit in that class and that they are placed on an attendance contract to earn the credit back. There are two parts to a contract. First, the student must pass the class with a D- or higher. Second, the student will show improvement in attendance in ALL classes. Improvement is determined on a sliding scale which allows for 1 absence for every three weeks (rounded up) left in the semester for each class.

A reminder to all students, you are required to always wear your ID badge. Not only for security reasons, but because you need to scan them at lunch! So, please make sure you are wearing your ID badge around your neck.

STUDENT DRESS CODE Students must adhere to the guidelines outlined in the student [handbook](#).

- Indecent, tattered, or unsafe dress or footwear, or attire that calls undue attention to the wearer or has lettering or symbols that are disrespectful or derogatory are not allowed.
- Beach wear, low-cut tops, tank tops, sleeveless tops, muscle shirts, see-through clothing, short skirts or shorts, pajamas, tight clothing without proper coverage and clothing exposing the shoulders or mid-section are not allowed.
- Students should not wear clothing with inappropriate advertising like Playboy shirts or similar items.
- Hats are not allowed in school unless explicit permission for a medical or religious reason is reached.
- Knee length shorts and skirts are acceptable. Shoes must be worn.
- Outerwear, such as coats and hats, is not to be worn in school.
- Clothing that promotes illegal substances or drugs, illegal activities, violence, tobacco, or alcohol is prohibited.
- Clothing or head coverings worn as group identifiers that promote a disruptive school climate are prohibited.
- Clothing consistent with religious or cultural beliefs is acceptable.
- Jewelry and accessories that may be deemed dangerous are prohibited.

Every Friday is Titan Spirit Day! Please encourage your student to wear anything “Titan” or Red, and/or Blue!

Stevenson High School Communication Process Flowchart

How to Effectively Communicate with Stevenson High School Officials

Parents are often discouraged when they attempt to communicate with school officials only to be referred to others in order to resolve a problem their child may be experiencing in school. To prevent that frustration, parents should become informed about the "Communication Process Flowchart." This sequence is in place to assist parents on where to begin their communication regarding their problem or concern.

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within two (2) business days, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the "Communication Process Flowchart." The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Titan Corner

What awaits Future Titans?

"Many students are curious about the new experiences and opportunities that await them in high school. High school often means more independence, like moving between classes, having some control over their schedule, and even choosing electives or extracurricular activities. There are many more sports teams, clubs, and activities to join, which can be exciting for students who want to explore their interests further."

Kenneth Cucchi III
Principal

"Being a Titan means embracing every challenge with determination, integrity, and resilience. Stevenson offers endless opportunities, academically, athletically, and socially, so take advantage of them. Push yourself beyond your comfort zone, support those around you, and never be afraid to fail because that's how you grow. Most importantly, embody the Titan spirit by leading with kindness, hard work, and a commitment to excellence. Your journey here will shape who you become, so make it count."

PROJECTS

- Continue safety focus through ongoing projects to enhanced door hardware and impact and shatter resistant glass.
- Enhance technology through installation of interactive projectors and teacher voice amplification system.
- Create Stevenson athletic field site at 16 Mile and Dodge Park, including:
 - Synthetic turf softball and baseball fields
 - Relocate tennis courts
- Upgrade Rick Bye Fieldhouse HVAC systems, ceiling and lighting.

Our district is continuing to move forward with the commitments made to UCS voters as part of the 2023 Safety and Success Bond Issue. Over the summer, significant improvements were made to our auto shop area and portions of our roof.

This spring, work will begin on a series of improvements to our athletics facilities that will enhance safety and be a visible reflection of our Titan pride.

The centerpiece will be a new complex at the current fields at Dodge Park and 16 Mile roads. There will also be improvements to the Rick Bye Fieldhouse.

While we keep the end goal in mind, we recognize this work will require some flexibility on our part. Your support is appreciated.

Q and A about Stevenson High School Improvements

What is the timeline for the improvements?

Work on the athletic field improvements will begin this spring and continue through the spring of 2026.

Why are the new areas not being built on Stevenson High School property?

There is limited space available at Stevenson to ensure field equity with other high schools. In addition, space on the site will need to be available for the planned improvements to Runkel Field.

How will this impact our athletics season?

Our athletics department will be working closely with coaches to ensure that our seasons can continue without interruptions. During certain portions of the improvement process, practices or games may be staged at other available facilities. Flexibility will be important as we work to transform our facilities.

What is the status of improvements to Runkel Field?

The Swinehart Field and Runkel Field improvements will be staggered to ensure we are meeting the expectations of our community for field availability and resources available to athletes. Swinehart Field will receive work initially, with work at Runkel Field scheduled to begin shortly after the reconstruction of Swinehart is complete. Improvements to Runkel and Swinehart fields will result in equitable facilities for all students.

School Safety and Security

School ID Badges Ensuring safety and security for all students and staff is a priority each day. In addition to enhancing security, the wearing of ID badges provides a professional setting and promotes College and Career Readiness for all students.

Wearing of IDs is required as part of many workplace environments, as well as on many college and university campuses. One student ID and lanyard will be provided to every student at no cost.

The benefits and reasons for students wearing a current student ID card are:

- To be in class
- To purchase lunch
- To borrow library books and textbooks
- To obtain early dismissal
- To allow movement during school, going to and from restrooms, etc.
- To be on campus before or after school
- To participate in school activities, assemblies, dances, etc. at school.

Student ID Guidelines

A student's ID card authorizes him/her to be on the school campus. EVERY student must wear his or her student ID card while on school grounds. It is crucial that the school staff can identify everyone on campus. The identification of staff and students is a safety issue and will not be compromised. Student IDs may be left in the student's assigned locker overnight to ensure the student ID is not left at home. The following guidelines must be adhered to when wearing student ID cards:

1. Student ID cards must always be worn and visible (i.e., not kept in a purse, pocket, or backpack).
2. The student ID card must be presented to any school staff member or person of authority upon request.
3. The front and back of the student ID card cannot be altered (i.e., no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
4. Wearing another student's ID card is prohibited.
5. Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced immediately.

Students who fail to adhere to the above guidelines are subject to a lunch detention (or after school detention) and a replacement fee of \$5.00 to replace a lost ID badge. Students can purchase a new lanyard from the school or purchase one on their own. Tear away lanyards are recommended. Students who are insubordinate or persistently disobedient are subject to further school consequences.

Announcements

ATTENDANCE - 586-797-1999

A parent must call the attendance line at 586-797-1999 if your student will be absent, tardy or will have an early dismissal. The attendance desk will enter the attendance in Powerschool by the end of the school day. For early dismissals, the student will be written an early dismissal pass that they can pick up from the attendance desk.

DO NOT call the main office for attendance.

PARKING ON DODGE PARK UPDATE - We have been working with the City of Sterling Heights to improve the safety for students who are crossing Dodge Park to get to and from school. Over the past couple of years, we have had several serious incidents that have reinforced the need to take additional steps to keep our students safe.

We are pleased that a flashing crosswalk sign (called "Rectangular Rapid Flashing Beacons") is being installed that will alert drivers that they are approaching a pedestrian crossing.

The second is that the Dodge Park Road cut out in front of our school will no longer be available for families who are waiting for their students at the end of the day or dropping them off in the morning. The city has already put in stripes to indicate that cars may not park in the area.

Your support is appreciated for these improvements. It is important that we are all doing our part to ensure the safety of our Titans.

PARKING is NOT allowed by students and/or parents in the Court House/City Center parking lot. Dropping off students in this area is also not allowed.

Reminder that students are expected to be in school on time. Parking Permits may be suspended for the following reasons:

- ❖ Excessive unexcused absences or tardies

Attendance

Attendance Policy

Another important reminder is to take time with your student to review the UCS High School Credit Review Rules and Procedures. In short, it starts by saying that a student has a responsibility to attend, be on time and prepared for each scheduled class. When a student nears or is at 10 absences (any combination of absences or tardies) they will meet with their Associate Principal and parents will be notified. When a student has accumulated 11 absences* in any one class over the course of a semester, the student will be notified in a meeting with an assistant/associate principal that they have lost credit in that class and that they are placed on an attendance contract to earn the credit back. There are two parts to a contract. First, the student must pass the class with a D- or higher. Second, the student will show improvement in attendance in ALL classes. Improvement is determined on a sliding scale which allows for 1 absence for every three weeks (rounded up) left in the semester for each class.

Please take the time to read and discuss this with your students, and make sure they understand.

Attendance and Early Dismissal Procedures

Please call **586-797-1999** and follow the prompts:

1 = Early Dismissals 2 = Late Arrival 3 = All Day Absences

Please do not call the main office for attendance. When an Early Dismissal is necessary, a PARENT MUST call in the dismissal before the student leaves. Otherwise, your student will be marked unexcused. Also, your student must check in with the Main Office before they leave campus to ensure their safety. PowerSchool is now generating automated phone calls to parents informing them of any absences for their students daily. Please use your Parent Portal to view your student's attendance.

If you have any concerns, email the individual teacher directly through the staff tab of the school's website or through the PowerSchool. If a correction is warranted, the teacher will request one. Our goal is to have call-ins recorded before the office closes for the day. However, if you have any questions regarding your student's attendance, please wait 24 hours to ensure that all records are complete and up to date.

Attendance Area Update

The 2023 bond issue provides an opportunity for UCS to begin a transformation of its school facilities. As reconstruction and replacement plans move forward, a unique opportunity exists to evaluate long-standing issues with attendance areas and create a stronger sense of community by linking school boundaries.

By building, renovating and innovating, we are able to give more students access to facilities that are being redesigned with a vision that encourages growth and achievement.

A Vision for the Future

Utica Community Schools has begun the transformation of elementary buildings. The reconstruction of elementaries, beginning with DeKeyser Elementary this school year, follows our UCS Empowered Strategic Plan and creates a long-range vision to:

- Create additional layers of safety and security
- Support achievement through an environment that fosters engaged learning
- Provide teachers with the flexibility and technology for large and small group instruction
- Offer a modern look that will foster community pride and enhance the desirability and quality of life in neighborhoods

For more information, visit uticak12.org/buildingforthefuture.

Overview

- Through the implementation of the 2023 bond issue, UCS is addressing long-standing issues within attendance areas that were largely developed 50 years ago.
- Currently, DeKeyser Elementary is under reconstruction. During the next two years, reconstruction will occur at Havel Elementary and Graebner Elementary.
- The following changes are being made under a plan for select schools in the Henry Ford II elementary feeder pattern:
 - Consolidation of the Browning Elementary attendance areas into Havel Elementary and Graebner Elementary.
 - Additional changes that follow the natural boundary of the Clinton River for the Havel Elementary attendance areas. Portions of Oakbrook and DeKeyser Elementary schools – which are separated from the schools by the Clinton River – will be combined with contiguous Havel Elementary communities.
 - A portion of Havel Elementary School where students cross Schoenherr Road will be merged with the neighboring Graebner Elementary community, which is closer in proximity to the neighborhood.
 - A small portion of Graebner Elementary in Macomb Township that is disconnected from its attendance area will be merged with a contiguous Ebeling Elementary neighborhood.

See page two for a detailed map of attendance area updates.

Attendance Area Updates

Below are current and revised attendance areas scheduled for fall of 2027. The attendance revision is made in conjunction with planned reconstruction at Havel Elementary and Graebner Elementary. The reconstruction work is part of a long-term vision for our schools that is focused on safety and designs that support innovation, growth and achievement. The revised attendance areas provide more students access to reconstructed elementary schools and reconnect communities.
