A MESSAGE FROM MR. CUCCHI

Good afternoon Titan community,

As we approach the end of the first card marking, I want to remind you to continue checking your students grades and attendance in PowerSchool. The card marking ends on October 31 and first quarter report cards will be emailed on November 7. While grades are calculated by semester, those marking periods add up, accounting for 40% of that semester grade. My team of teachers has been incredible with making work and expectations accessible for students. Please take the weekend and review grades with your student. IF they are struggling, they need to check Schoology, they need to study what they are missing, learn it – whether they get credit or not. Some teachers have late work and redo policies, and some of the work missed may be past that opportunity. It is still learning that needs to happen as it will be expected knowledge on student midterm exams. There are about 9 more weeks until the end of the semester, but the first big check in is now. If they're not already, it's time to kick it into gear. It's time to keep their foot on the pedal! There is still a lot of time left in the first semester, so let's make the more of it.

The complete 2025-26 UCS Calendar is now available. Follow the below link to see important dates for the remainder of this year. Please note: October 31 – Halloween – is the end of the first quarter and will be a half-day for elementary students.

<https://www.uticak12.org/Page/2#calendar1/20251015/month>

There is **NO SCHOOL** on Tuesday November 4 for Election Day.

Your Titan Marching Band did it again - straight division I (superior) ratings from a panel of three adjudicators at D16 Marching Band Festival at Troy HS on Wednesday night.

Congratulations to the 116 members of the Stevenson Marching Band. This is the result of hundreds of hours of intense preparation!

Stevenson is creating a Wellness Room. If you would like to donate to help make the room amazing, please check out our [Amazon wish list here](#). Thank you for your support!

Reminder that students MUST BE ON TIME to class, or they could lose their parking permits.

College Month at Stevenson High School

College Month at Stevenson High School is off to a great start! Counselors continue to host the **College Lunch Series** every Monday and Thursday throughout October during all lunch periods.

We have also had tremendous success with our **College Representative Visits**. Representatives from various universities have met with students in small groups to discuss specific majors, scholarships, and campus life—giving our seniors valuable insight as they plan for their futures.

On October 7th, Dr. Carrie Gilchrist visited Stevenson and met with the entire senior class to assist students in setting up their **FSA ID** for the Free Application for Federal Student Aid (FAFSA).

The **FAFSA** opened early this year on September 24th!

If you haven't completed your application yet, please use this link: [Complete the FAFSA](#)

The Counseling Department is excited to share that the Post-Secondary Wall has been updated for our seniors! It's now a fun, interactive space that students can enjoy and celebrate their future plans for years to come. We need to give Stevenson High School student, Isabela Rodriguez (pictured below) a huge shout-out for bringing this vision to life!

The Senior Signing Wall will be ready by October 27th — encourage students to sign the wall and take a photo in front of “Future in Flight” to commemorate their next chapter!

Lastly, if you are not already following us on Instagram, please do so [@stevensoncounseling](#)

Juniors – Week of October 20 -24 you will take the PSAT/NMSQT, which measures skills learned in school to assess college and career readiness. It serves as a qualifying exam for the prestigious Narion Merit Scholarship Program.

The Writing Center (Room E-73) is OPEN during all lunches!

Honors Writing senior tutors offer face-to-face drop-in tutoring (walk-ins depend on tutor availability) and also accept online submissions. Electronic submissions can be sent to angel.favazza@uticak12.org—please allow at least two school days for feedback.

We look forward to helping you strengthen your writing, whether it's a college application essay, a research project, or anything in between!

PLEASE NOTE: Stevenson High School is a CLOSED CAMPUS, meaning students are not allowed to leave the campus during the school day.

Students are NOT permitted to have food or beverages delivered to Stevenson High School at any time during the school day. This includes Door Dash, Grub Hub, and any other delivery services or family members.

The Titan Voice and the Stevenson website should be your first line of communication regarding information pertaining to Stevenson. When you go to our website, you will find the Titan Voice linked under News.

PARKING PERMITS

Parking permits are dependent on attendance. Students who have accumulated 5 or more tardies and/or Unexcused absences, will have their parking permit suspended. At that point, with responsible attendance, parking will be reevaluated for the school year. In addition, outstanding fees must be paid in full to be eligible for a parking permit. (Contact Remi Darroch, Bookkeeper, at remi.darroch@uticak12.org, 586-797-1903 for questions about your students' fines.) Reminder that students are expected to be in school on time. ATTENDANCE – (586)797-1999

A parent must call the attendance line at (586)797-1999 the day of the absence or prior if your student will be absent, tardy or will have an early dismissal. The attendance desk will enter the attendance in PowerSchool. **DO NOT** call the main office for attendance.

- For early dismissals, please call the attendance line early in the day so the Attendance Secretary can enter the early dismissal in PowerSchool. The student should inform their teacher, upon arriving to class, that they have an early dismissal.

Re: Michigan Rehabilitation Services Virtual Orientation

Michigan Rehabilitation Services (MRS) is a State of Michigan agency whose purpose is to assist individuals with disabilities that may be on an IEP to prepare for, obtain, and maintain employment. MRS is state and federally funded, so there is often no cost to the individual for the agency's services.

Some of the things MRS may be able to provide include:

- Vocational counseling & guidance – help students discover their interests & talents and explore possible career pathways
- Accommodation assessments and accommodations if needed
- OJE – On-the-Job Evaluation – paid wages
- Job Training – as appropriate for job goal
- Michigan Career and Technical Institute (MCTI) – live on campus and train 'hands-on' in areas such as: Auto mechanic; Cabinetmaking; Cert Nurse Asst; Pharmacy Tech; Welding; Culinary; and more (free to MRS customers)
- Resume building and mock interviews
- Soft skills training/classes (social/interpersonal skills)

We are excited to offer an orientation where you can learn more about MRS's services and how they can help your child. Please join us on **Wednesday December 10, 2025, from 9:20-10:20 am** for the orientation and question/answer session with Simone R. Green, MRS counselor assigned to work with our students at Utica School District.

If you'd like to join us for this orientation, please contact Andrea Pilatowski at 586-797-1983 or andrea.pilatowski@uticak12.org or simply just be present on that day.

This is a great opportunity, and we hope to see you.

DIGITAL CITIZENSHIP WEEK

OCTOBER 20TH- 24TH

October 20th-24th is Digital Citizenship Week! This is a great time for learning more and refreshing your memory about important digital citizenship and digital wellness skills. It's all about staying safe while on the internet and making good choices!

In today's fast-changing digital world, it's more important than ever for children to navigate the digital landscape responsibly and effectively. Digital Citizenship involves the responsible and effective use of digital resources. It provides students with crucial skills and concepts, such as evaluating online information, creating a positive digital presence, maintaining digital wellness, practicing netiquette (responsible and empathetic online behavior) and understanding privacy and cyberbullying. As classroom technology evolves, so does the concept of digital citizenship. It has shifted from a list of don'ts to a proactive list of dos, seamlessly integrating into the curriculum.

Promoting Positive Digital Citizenship is a key goal for our district. Our teachers are committed to incorporating digital citizenship resources and principles throughout the K-12 curriculum.

Digital Citizenship prepares students to use technology responsibly in a tech-driven society, encompassing wellness, safety and literacy.

As you celebrate Digital Citizenship Week, use this website <http://bit.ly/48TEB5C> to remember spirit dress up days and to help students reflect on how they can use technology in healthy and responsible ways. Check out the various parent resources on our website to help you with conversations about digital citizenship and wellness at home.

Stevenson High School |

Sterling Heights, MI 48313
September 26, 2025

Dear Parent or Guardian,

I am writing to inform you about an exciting new program we are implementing starting October 6, 2025. To enhance communication regarding student attendance, we will be utilizing **Attendance Intervention**, a PowerSchool product designed to streamline updates and alerts for families.

With Attendance Intervention, you will receive text messages and email alerts directly from teachers and school leaders, keeping you informed about your child's attendance in real time.

What makes Attendance Intervention unique?

- **No Login Required:** Messages will automatically be sent to the phone number and email address the school has on file for you.
- **Direct Communication:** Each message will come from a unique phone number associated with the sender. This direct line allows you to easily save the sender's number in your phone and reply directly to them, if desired.
- **Absence Alerts:** Families will be notified if a student is absent from school in a timely fashion.
- **Say Goodbye to Language Barriers:** Attendance Intervention translates text and email messages into more than 90 languages, based on the preferred language on file.

We are confident that this program will enhance communication and ensure we are all working together to support our students' successes. If you have any questions, please don't hesitate to reach out to the school office.

Thank you for your continued partnership in your child's education.

Sincerely,

Kenneth L. Cucchi III

Stevenson High School Communication Process Flowchart

How to Effectively Communicate with Stevenson High School Officials

Parents are often discouraged when they attempt to communicate with school officials only to be referred to others in order to resolve a problem their child may be experiencing in school. To prevent that frustration, parents should become informed about the "Communication Process Flowchart." This sequence is in place to assist parents on where to begin their communication regarding their problem or concern.

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within two (2) business days, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the "Communication Process Flowchart." The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Student Info

School Safety and Security

School ID Badges Ensuring safety and security for all students and staff is a priority each day. In addition to enhancing security, the wearing of ID badges provides a professional setting and promotes College and Career Readiness for all students.

Wearing of IDs is required as part of many workplace environments, as well as on many college and university campuses. One student ID and lanyard will be provided to every student at no cost.

The benefits and reasons for students wearing a current student ID card are:

- To be in class
- To purchase lunch
- To borrow library books and textbooks
- To obtain early dismissal
- To allow movement during school, going to and from restrooms, etc.
- To be on campus before or after school
- To participate in school activities, assemblies, dances, etc. at school.

Student ID Guidelines

A student's ID card authorizes him/her to be on the school campus. EVERY student must wear his or her student ID card while on school grounds. It is crucial that the school staff can identify everyone on campus. The identification of staff and students is a safety issue and will not be compromised. Student IDs may be left in the student's assigned locker overnight to ensure the student ID is not left at home. The following guidelines must be adhered to when wearing student ID cards:

1. Student ID cards must always be worn and visible (i.e., not kept in a purse, pocket, or backpack).
2. The student ID card must be presented to any school staff member or person of authority upon request.
3. The front and back of the student ID card cannot be altered (i.e., no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
4. Wearing another student's ID card is prohibited.
5. Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced immediately.

Students who fail to adhere to the above guidelines are subject to a lunch detention (or after school detention) and a replacement fee of \$5.00 to replace a lost ID badge. Students can purchase a new lanyard from the school or purchase one on their own. Tear away lanyards are recommended. Students who are insubordinate or persistently disobedient are subject to further school consequences.

Attendance Policy

Another important reminder is to take time with your student to review the UCS High School Credit Review Rules and Procedures. In short, it starts by saying that a student has a responsibility to attend, be on time and prepared for each scheduled class. When a student nears or is at 10 absences (any combination of absences or tardies) they will meet with their Associate Principal and parents will be notified. When a student has accumulated 11 absences* in any one class over the course of a semester, the student will be notified in a meeting with an assistant/associate principal that they have lost credit in that class and that they are placed on an attendance contract to earn the credit back. There are two parts to a contract. First, the student must pass the class with a D- or higher. Second, the student will show improvement in attendance in ALL classes. Improvement is determined on a sliding scale which allows for 1 absence for every three weeks (rounded up) left in the semester for each class.

Please take the time to read and discuss this with your students, and make sure they understand.

Attendance and Early Dismissal Procedures

Please call **586-797-1999** and follow the prompts:

1 = Early Dismissals 2 = Late Arrival 3 = All Day Absences

Please do not call the main office for attendance. When an Early Dismissal is necessary, a PARENT MUST call in the dismissal before the student leaves. Otherwise, your student will be marked unexcused. Also, your student must check in with the Main Office before they leave campus to ensure their safety. PowerSchool is now generating automated phone calls to parents informing them of any absences for their students daily. Please use your Parent Portal to view your student's attendance.

If you have any concerns, email the individual teacher directly through the staff tab of the school's website or through the PowerSchool. If a correction is warranted, the teacher will request one. Our goal is to have call-ins recorded before the office closes for the day. However, if you have any questions regarding your student's attendance, please wait 24 hours to ensure that all records are complete and up to date.

PARKING PERMITS

ATTENDANCE PROGRAM

We will continue the Attendance Program that began at the end of last school year. Parking permits are dependent on attendance. Students who have accumulated 5 or more tardies and/or Unexcused absences, will not receive their parking permit for the 1st five weeks of the school year. At that point, with responsible attendance, parking will be reevaluated for the school year. In addition, outstanding fees must be paid in full to be eligible for a parking permit. (Contact Remi Darroch, Bookkeeper, at remi.darroch@uticak12.org, 586-797-1903 for questions about your students fines.)

PARKING is NOT allowed by students and/or parents in the Court House/City Center parking lot. Dropping off students in this area is also not allowed.

Be FAFSA Form Ready: Create your StudentAid.gov account now

You and a parent need StudentAid.gov accounts to be FAFSA® form ready

The new 2025–26 *Free Application for Federal Student Aid* (FAFSA®) form is coming by Dec. 1, 2024. Submitting the FAFSA form is the first step to getting federal student grants, scholarships, work-study opportunities, and student loans. [Who is eligible for federal student aid?](#)

Make your form submission as easy as possible by doing two things. First, create your StudentAid.gov account now. Second, if you're under 24 years old, have your parent to create their account before December 1 as well.

1. [Create your StudentAid.gov account](#) or make sure you can access your existing account by [signing in to StudentAid.gov](#).
2. **If you're under 24, get a parent to create their account.** [Check this chart](#) to confirm whether a parent or spouse also needs to have an account before you can submit your FAFSA form.

Having trouble? [Get answers to common questions](#) about creating a StudentAid.gov account.

What do I need to create a StudentAid.gov account?

- Name (exactly as it appears on your Social Security card if you have one)
- Date of birth
- Personal email address
- Social Security number (if you have one)

Remember: You'll have only one StudentAid.gov account to use for the rest of your life, so make sure to use an email address that you'll have access to even after you graduate from school or change jobs.

How do I know if a parent or spouse also need to create an account?

- [Check this chart](#) to see whether any other contributors, like a parent or spouse, also need to create an account before you can submit your FAFSA form.
- If you're still not sure whether you need a parent to sign your form, [confirm if you're an independent or dependent](#) student.

- If you're a dependent student, you (or your parent) can use the [Who's My FAFSA Parent](#) wizard to figure out which parent, guardian or spouse also needs to create an account.

What if I don't have a Social Security number (SSN) or my parent doesn't have an SSN?

- If you have an SSN, you must provide it when creating an account.
- All students must have an SSN to create a StudentAid.gov account unless you are from the Freely Associated States (Micronesia, Marshall Islands, or Palau). [Check eligibility here.](#)
- If you are a parent or spouse who does not have an SSN, you can still create a StudentAid.gov account to contribute to a student's FAFSA form. When creating your account, leave the SSN field blank and select "What if I don't have a Social Security number?"
- If only one parent has an SSN, that parent is the one who should create an account and join the student's FAFSA form as a contributor.

Note: if you get a message saying the SSN you entered is already in use when you try to create a StudentAid.gov account, make sure you entered the SSN correctly. If you entered the SSN correctly, then it's likely you created an account previously or someone else (such as a parent) created an account for you. Try logging in rather than creating a new account. If you have trouble logging in, try resetting your password or using another email address. You can also check with a parent to see if a StudentAid.gov account already exists for you. If you're sure an account has not already been created, [contact the office of Federal Student Aid](#) for more help. Do not attempt to use an ITIN or other value in place of an SSN for online account creation.

Learn more about the FAFSA form at [fafsa.gov](#).
