A MESSAGE FROM MR. CUCCHI

Good afternoon Titan community,

It is wonderful to see our hallways once again filled with students. We are truly excited to begin another year of learning, growth, and memorable experiences together at Stevenson.

As we begin the school year, please take a moment to review the [2025-2026 UCS Parent-Student Handbook](#) (Grades 9-12), available on both the [Stevenson](#) and [UCS district](#) websites. This resource contains important information and updates that will help ensure a successful year for all students.

A reminder that **TODAY is the final day to purchase laptop insurance**. This can be completed through [PAYSCHOOLS CENTRAL](#). Please note there will be no extensions, and we strongly encourage all families to take advantage of this protection. [Click here for more information.](#)

School picture have arrived! Student Council members will be distributing them during lunch beginning on Tuesday. Please remind your student to stop by their table to pick their pictures up.

Our students understand that they are part of a larger community here at Stevenson. We have many different clubs, organizations, student groups and teams that are part of the fabric of the Titan family. We pride ourselves on offering our students many opportunities. To me, one of the best things about working with high school students is seeing them explore opportunities available to them and make those choices and connections that will further mold them into responsible young adults. I encourage you to have conversations with your students about exploring their passions and getting involved.

The Titan Voice and the Stevenson website should be your first line of communication regarding information pertaining to Stevenson. When you go to our website, you will find the Titan Voice linked under News.

Every Friday is Titan Spirit Day! Please encourage your student to wear thy “Titan”, Blue, Red and/or White!

Parking Permits are now available to Juniors. Please make sure you have the [form](#) filled out completely with student and parent signatures. Along with the [form](#), a COPY of the student's driver's license and COPY of the registration for each car listed must be turned in. If the permit was paid for on PaySchools please provide a copy of the receipt, either on the student's phone or hard copy. Permits can be paid for in school by cash, check or Money Order. Note: Reckless driving and disobeying Michigan laws will result in a student losing their parking permit.

Stevenson High School Communication Process Flowchart

How to Effectively Communicate with Stevenson High School Officials

Parents are often discouraged when they attempt to communicate with school officials only to be referred to others in order to resolve a problem their child may be experiencing in school. To prevent that frustration, parents should become informed about the "Communication Process Flowchart." This sequence is in place to assist parents on where to begin their communication regarding their problem or concern.

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within two (2) business days, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the "Communication Process Flowchart." The easiest way to communicate is via e-mail while a phone call is the next preferable way.

School Safety and Security

School ID Badges Ensuring safety and security for all students and staff is a priority each day. In addition to enhancing security, the wearing of ID badges provides a professional setting and promotes College and Career Readiness for all students.

Wearing of IDs is required as part of many workplace environments, as well as on many college and university campuses. One student ID and lanyard will be provided to every student at no cost.

The benefits and reasons for students wearing a current student ID card are:

- To be in class
- To purchase lunch
- To borrow library books and textbooks
- To obtain early dismissal
- To allow movement during school, going to and from restrooms, etc.
- To be on campus before or after school
- To participate in school activities, assemblies, dances, etc. at school.

Student ID Guidelines

A student's ID card authorizes him/her to be on the school campus. EVERY student must wear his or her student ID card while on school grounds. It is crucial that the school staff can identify everyone on campus. The identification of staff and students is a safety issue and will not be compromised. Student IDs may be left in the student's assigned locker overnight to ensure the student ID is not left at home. The following guidelines must be adhered to when wearing student ID cards:

1. Student ID cards must always be worn and visible (i.e., not kept in a purse, pocket, or backpack).
2. The student ID card must be presented to any school staff member or person of authority upon request.
3. The front and back of the student ID card cannot be altered (i.e., no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
4. Wearing another student's ID card is prohibited.
5. Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced immediately.

Students who fail to adhere to the above guidelines are subject to a lunch detention (or after school detention) and a replacement fee of \$5.00 to replace a lost ID badge. Students can purchase a new lanyard from the school or purchase one on their own. Tear away lanyards are recommended. Students who are insubordinate or persistently disobedient are subject to further school consequences.

Attendance Policy

Another important reminder is to take time with your student to review the UCS High School Credit Review Rules and Procedures. In short, it starts by saying that a student has a responsibility to attend, be on time and prepared for each scheduled class. When a student nears or is at 10 absences (any combination of absences or tardies) they will meet with their Associate Principal and parents will be notified. When a student has accumulated 11 absences* in any one class over the course of a semester, the student will be notified in a meeting with an assistant/associate principal that they have lost credit in that class and that they are placed on an attendance contract to earn the credit back. There are two parts to a contract. First, the student must pass the class with a D- or higher. Second, the student will show improvement in attendance in ALL classes. Improvement is determined on a sliding scale which allows for 1 absence for every three weeks (rounded up) left in the semester for each class.

Please take the time to read and discuss this with your students, and make sure they understand.

Attendance and Early Dismissal Procedures

Please call **586-797-1999** and follow the prompts:

1 = Early Dismissals 2 = Late Arrival 3 = All Day Absences

Please do not call the main office for attendance. When an Early Dismissal is necessary, a PARENT MUST call in the dismissal before the student leaves. Otherwise, your student will be marked unexcused. Also, your student must check in with the Main Office before they leave campus to ensure their safety. PowerSchool is now generating automated phone calls to parents informing them of any absences for their students daily. Please use your Parent Portal to view your student's attendance.

If you have any concerns, email the individual teacher directly through the staff tab of the school's website or through the PowerSchool. If a correction is warranted, the teacher will request one. Our goal is to have call-ins recorded before the office closes for the day. However, if you have any questions regarding your student's attendance, please wait 24 hours to ensure that all records are complete and up to date.

Please [click here](#) for the UCS attendance policy

PARKING PERMITS

Mrs. Johnston is accepting parking permit applications from juniors and seniors. The permits are \$75. You can find the Parking Permit Application on the Stevenson website: Stevenson High School under Parent Quick Links. Please print it and bring copies of all required documents. PARKING is NOT allowed by students and/or parents in the Court House/City Center parking lot or along Dodge Park Road. Dropping off students in this area is also not allowed.

ATTENDANCE PROGRAM

We will continue the Attendance Program that began at the end of last school year. Parking permits are dependent on attendance. Students who have accumulated 5 or more tardies and/or Unexcused absences, will not receive their parking permit for the 1st five weeks of the school year. At that point, with responsible attendance, parking will be reevaluated for the school year. In addition, outstanding fees must be paid in full to be eligible for a parking permit. (Contact Remi Darroch, Bookkeeper, at remi.darroch@uticak12.org, 586-797-1903 for questions about your students fines.)

PARKING is NOT allowed by students and/or parents in the Court House/City Center parking lot. Dropping off students in this area is also not allowed.

Reminder that students are expected to be in school on time. Parking Permits may be suspended for the following reasons:

- ❖ Excessive unexcused absences or tardies
- ❖ Careless or reckless driving
- ❖ Persistent disciplinary issues

Be FAFSA Form Ready: Create your StudentAid.gov account now

You and a parent need StudentAid.gov accounts to be FAFSA® form ready

The new 2025–26 Free Application for Federal Student Aid (FAFSA®) form is coming by Dec. 1, 2024. Submitting the FAFSA form is the first step to getting federal student grants, scholarships, work-study opportunities, and student loans. [Who is eligible for federal student aid?](#)

Make your form submission as easy as possible by doing two things. First, create your StudentAid.gov account now. Second, if you're under 24 years old, have your parent to create their account before December 1 as well.

1. [Create your StudentAid.gov account](#) or make sure you can access your existing account by [signing in to StudentAid.gov](#).
2. [If you're under 24, get a parent to create their account](#). [Check this chart](#) to confirm whether a parent or spouse also needs to have an account before you can submit your FAFSA form.

Having trouble? [Get answers to common questions](#) about creating a StudentAid.gov account.

What do I need to create a StudentAid.gov account?

- Name (exactly as it appears on your Social Security card if you have one)
- Date of birth
- Personal email address
- Social Security number (if you have one)

Remember: You'll have only one StudentAid.gov account to use for the rest of your life, so make sure to use an email address that you'll have access to even after you graduate from school or change jobs.

How do I know if a parent or spouse also need to create an account?

- [Check this chart](#) to see whether any other contributors, like a parent or spouse, also need to create an account before you can submit your FAFSA form.
- If you're still not sure whether you need a parent to sign your form, [confirm if you're an independent or dependent](#) student.

- If you're a dependent student, you (or your parent) can use the [Who's My FAFSA Parent](#) wizard to figure out which parent, guardian or spouse also needs to create an account.

What if I don't have a Social Security number (SSN) or my parent doesn't have an SSN?

- If you have an SSN, you must provide it when creating an account.
- All students must have an SSN to create a StudentAid.gov account unless you are from the Freely Associated States (Micronesia, Marshall Islands, or Palau). [Check eligibility here](#).
- If you are a parent or spouse who does not have an SSN, you can still create a StudentAid.gov account to contribute to a student's FAFSA form. When creating your account, leave the SSN field blank and select "What if I don't have a Social Security number?"
- If only one parent has an SSN, that parent is the one who should create an account and join the student's FAFSA form as a contributor.

Note: if you get a message saying the SSN you entered is already in use when you try to create a StudentAid.gov account, make sure you entered the SSN correctly. If you entered the SSN correctly, then it's likely you created an account previously or someone else (such as a parent) created an account for you. Try logging in rather than creating a new account. If you have trouble logging in, try resetting your password or using another email address. You can also check with a parent to see if a StudentAid.gov account already exists for you. If you're sure an account has not already been created, [contact the office of Federal Student Aid](#) for more help. Do not attempt to use an ITIN or other value in place of an SSN for online account creation.

UTICA-FRASER UNIFIED

VARSITY HOCKEY

PROGRAM OUTLINE

AUGUST 2024

The Utica-Fraser Varsity Hockey program operates on a meticulously planned 12-month schedule designed to optimize player development, team cohesion, and competitive performance. The program is divided into four seasons: Spring, Summer, Fall, and Varsity.

Throughout the comprehensive 12-month program of Utica-Fraser Varsity Hockey, players undergo rigorous training and competitive play to optimize their skills and performance on the ice. With approximately 96 practices, spanning from skill refinement sessions to strategic drills, athletes are finely tuned for success. Complementing these practices are roughly 32 strength and conditioning workouts, ensuring players maintain peak physical condition year-round. Across approximately 63 games, players have ample opportunities to apply their training in real-game scenarios, honing their abilities and fostering team cohesion. This holistic approach to player development underscores the program's commitment to excellence, teamwork, and continuous improvement, laying the groundwork for success both on and off the ice.

VARSITY SEASON: NOVEMBER - FEBRUARY

The Varsity season [November-February/Early March] marks the pinnacle of the program, characterized by intense training, rigorous competition, and a focus on achieving success on the ice. With three practices per week and weekly strength and conditioning workouts, players undergo comprehensive preparation to excel in the 27-game regular season and playoffs.

In addition to on-ice performance, the Varsity season incorporates off-ice activities such as fundraisers, charity events, and community engagements, fostering team bonding and instilling values of sportsmanship and giving back to the community.

Throughout the year, the coaching staff works closely with players to assess individual progress, set goals, and provide guidance for improvement. The program's holistic approach to player development ensures that athletes not only excel on the ice but also grow as individuals, embodying the principles of teamwork, discipline, and perseverance.

SEASONS

SPRING - APRIL & MAY

During the Spring season, the team welcomes new players interested in joining the Utica-Fraser Family. Our spring program focuses on maintaining player fitness and skill development through weekly practice sessions and team workouts. Approximately 8 games are scheduled during this time, providing opportunities for players to apply their skills in a competitive setting and build team chemistry.

Spring hockey is coached by our off-season coaching staff, who has been involved with the program for that last several years. This gives us a smooth transition as we progress from season to season.

SUMMER - JUNE & JULY

As the Summer season unfolds, the intensity ramps up with bi-weekly practices and twice-weekly strength and conditioning workouts. Up to 15 games are played during this period, allowing coaches to assess player progress and team dynamics while continuing to refine skills and tactics.

Summer hockey is coached by the varsity coaching staff – Evan Gizinski, Steve Erwin and Jake Gammicchia.

FALL - SEPTEMBER & OCTOBER

Heading into the Fall season, the team increases practice frequency to three or more sessions per week. **With a greater emphasis on game preparation and competition, more games are played than in other seasons.** This period serves as a critical ramp-up for the upcoming varsity season, with players competing for roster spots and honing their skills for the challenges ahead. Players will receive personalized Utica-Fraser Unified jerseys for the fall hockey season.

Fall hockey is coached by our off-season coaching staff. Once again, ensuring a smooth transition throughout seasons so our program is always moving in the same direction.

ASKED QUESTIONS

>>> WHAT ARE THE FINANCIAL EXPECTATIONS

Utica-Fraser Varsity Hockey's 12-month program stands out as one of the most affordable high school hockey options, priced at around \$4,000. The program offers comprehensive training and competition, including approximately 96 practices, 32 strength and conditioning workouts, and 63 games over the 12 months. With a focus on skill refinement, strategic drills, and physical conditioning, players are primed for success on and off the ice. From intense Varsity season playoffs to community engagements and charity events, athletes develop both as skilled players and disciplined individuals that will prepare them for the next chapter of their lives.

>>> WHERE ARE THEY NOW?

Since 2018, the Program has moved on alumni that have achieved remarkable success, advancing to higher levels of play and institutions. Many have transitioned to collegiate hockey, joining esteemed programs such as Oakland University, Rochester College, Northern Michigan, Michigan State University, Adrian College, Cleary University, and University of Michigan Dearborn. Others have pursued opportunities with elite junior teams like the Metro Jets and Motor City Gamblers. The program's impact extends beyond the ice, fostering lasting connections among alumni who return to participate in the annual alumni game over Christmas break. These achievements reflect the program's commitment to developing not only skilled athletes but also successful individuals.

>>> WHY UTICA-FRASER HOCKEY?

As a part of the Utica-Fraser Unified program, players are a part of more than just a hockey team. By uniting athletes on the same team, the program creates a supportive environment where everyone can thrive. Through shared experiences on ice or in the locker room, participants develop lifelong friendships, build self-confidence, and learn valuable lessons in teamwork and discipline.

Wearing the Utica-Fraser crest symbolizes pride, unity, and a commitment to upholding the values of sportsmanship, excellence, and teamwork both on and off the ice.

Utica-Fraser Varsity Hockey is deeply committed to giving back to the community, partnering with organizations like The Rainbow Connection, Wounded Warrior Project, Michigan Flyers, The Refuge, Cancer Awareness, Operation Believe, and many others. Through fundraisers, charity events, and volunteer initiatives, players actively support causes that make a difference in the lives of others. From hosting awareness campaigns to participating in fundraisers, the team exemplifies the values of compassion and community involvement.

Our dedication and commitment to giving our players life-lasting memories is what separates high school hockey from other youth leagues.
